Specifications of LM193AH/NOPB

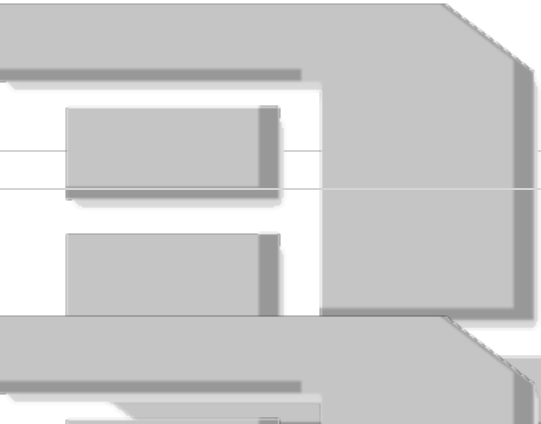

|                                   |                                                                            |
|-----------------------------------|----------------------------------------------------------------------------|
| PART NUMBER                       | LM193AH/NOPB                                                               |
| MANUFACTURER                      | N/A                                                                        |
| DESCRIPTION                       | IC COMP DUAL LOW PWR OFF TO99-8                                            |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                 |
| QUANTITY AVAILABLE                | 9916 pcs                                                                   |
| DATA SHEET                        |                                                                            |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 2 V ~ 36 V, ±1 V ~ 18 V                                                    |
| VOLTAGE - INPUT OFFSET (MAX)      | 2mV @ 30V                                                                  |
| TYPE                              | General Purpose                                                            |
| SUPPLIER DEVICE PACKAGE           | TO-5-8                                                                     |
| SERIES                            | -                                                                          |
| PROPAGATION DELAY (MAX)           | 700ns                                                                      |
| PACKAGING                         | Bulk                                                                       |
| PACKAGE / CASE                    | TO-205AA, TO-5-8 Metal Can                                                 |
| OUTPUT TYPE                       | CMOS, DTL, ECL, MOS, Open-Collector, TTL                                   |
| OTHER NAMES                       | LM193AHNOPB                                                                |
| OPERATING TEMPERATURE             | -55°C ~ 125°C                                                              |
| NUMBER OF ELEMENTS                | 2                                                                          |
| MOUNTING TYPE                     | Through Hole                                                               |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                              |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                 |
| HYSTERESIS                        | -                                                                          |
| DETAILED DESCRIPTION              | Comparator General Purpose CMOS, DTL, ECL, MOS, Open-Collector, TTL TO-5-8 |
| CURRENT - QUIESCENT (MAX)         | 2.5mA                                                                      |
| CURRENT - OUTPUT (TYP)            | 16mA @ 5V                                                                  |
| CURRENT - INPUT BIAS (MAX)        | 0.1µA @ 5V                                                                 |
| CMRR, PSRR (TYP)                  | -                                                                          |
| BASE PART NUMBER                  | LM193                                                                      |
