| VOLTAGE - SUPPLY                     | 2.7 V ~ 5.5 V                                                                                               |
| VOLTAGE - ISOLATION                  | 1000Vrms                                                                                                    |
| TYPE                                 | General Purpose                                                                                             |
| TECHNOLOGY                           | Capacitive Coupling                                                                                         |
| SUPPLIER DEVICE PACKAGE              | 16-SOIC                                                                                                     |
| SERIES                               | -                                                                                                           |
| RISE / FALL TIME (TYP)               | 3.8ns, 2.8ns                                                                                                |
| PULSE WIDTH DISTORTION (MAX)         | 25ns                                                                                                        |
| PROPAGATION DELAY TPLH / TPHL (MAX)  | 35ns, 35ns                                                                                                  |
| PACKAGING                            | Tape & Reel (TR)                                                                                            |
| PACKAGE / CASE                       | 16-SOIC (0.154", 3.90mm Width)                                                                              |
| OPERATING TEMPERATURE                | -40°C ~ 125°C                                                                                               |
| NUMBER OF CHANNELS                   | 6                                                                                                           |
| MOUNTING TYPE                        | Surface Mount                                                                                               |
| MOISTURE SENSITIVITY LEVEL (MSL)     | 2 (1 Year)                                                                                                  |
| LEAD FREE STATUS / ROHS STATUS       | Lead free / RoHS Compliant                                                                                  |
| ISOLATED POWER                       | No                                                                                                          |
| INPUTS - SIDE 1/SIDE 2               | 3/3                                                                                                         |
| DETAILED DESCRIPTION                 | General Purpose Digital Isolator 1000Vrms 6 Channel 1Mbps 25kV/μs (Typ) CMTI 16-SOIC (0.154", 3.90mm Width) |
| DATA RATE                            | 1Mbps                                                                                                       |
| COMMON MODE TRANSIENT IMMUNITY (MIN) | 25kV/μs (Typ)                                                                                               |
| CHANNEL TYPE                         | Unidirectional                                                                                              |
