Specifications of MSP430FR5969IRGZT

|                                  |                                                                                       |
|----------------------------------|---------------------------------------------------------------------------------------|
| PART NUMBER                      | MSP430FR5969IRGZT                                                                     |
| MANUFACTURER                     | N/A                                                                                   |
| DESCRIPTION                      | IC MCU 16BIT 64KB FRAM 48VQFN                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                            |
| QUANTITY AVAILABLE               | 17281 pcs                                                                             |
| DATA SHEET                       |                                                                                       |
| VOLTAGE - SUPPLY (VCC/VDD)       | 1.8 V ~ 3.6 V                                                                         |
| SUPPLIER DEVICE PACKAGE          | 48-VQFN (7x7)                                                                         |
| SPEED                            | 16MHz                                                                                 |
| SERIES                           | MSP430™ FRAM                                                                          |
| RAM SIZE                         | 2K x 8                                                                                |
| PROGRAM MEMORY TYPE              | FRAM                                                                                  |
| PROGRAM MEMORY SIZE              | 64KB (64K x 8)                                                                        |
| PERIPHERALS                      | Brown-out Detect/Reset, DMA, POR, PWM, WDT                                            |
| PACKAGING                        | Original-Reel®                                                                        |
| PACKAGE / CASE                   | 48-VFQFN Exposed Pad                                                                  |
| OTHER NAMES                      | 296-37918-6                                                                           |
| OSCILLATOR TYPE                  | Internal                                                                              |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                     |
| NUMBER OF I/O                    | 40                                                                                    |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                            |
| EEPROM SIZE                      | -                                                                                     |
| DETAILED DESCRIPTION             | CPUXV2 MSP430™ FRAM Microcontroller IC 16-Bit 16MHz 64KB (64K x 8) FRAM 48-VQFN (7x7) |
| DATA CONVERTERS                  | A/D 16x12b                                                                            |
| CORE SIZE                        | 16-Bit                                                                                |
| CORE PROCESSOR                   | CPUXV2                                                                                |
| CONNECTIVITY                     | I²C, IrDA, SCI, SPI, UART/USART                                                       |
