

ON Semiconductor®

ON

AMI Semiconductor / ON

Semiconductor

Part Number:KA3403DTF

Manufacturer/Brand:AMI Semiconductor / ON Semiconductor

Product description:IC OPAMP GP 9KHZ 14SOIC

Datasheets: KA3403DTF.pdf

RoHs Status: Lead free / RoHS Compliant

Stock Condition:5766 pcs stock

Ship From:Hong Kong

Shipment Way:DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of KA3403DTF

|                                   |                                                                                                   |
|-----------------------------------|---------------------------------------------------------------------------------------------------|
| PART NUMBER                       | KA3403DTF                                                                                         |
| MANUFACTURER                      | AMI Semiconductor / ON Semiconductor                                                              |
| DESCRIPTION                       | IC OPAMP GP 9KHZ 14SOIC                                                                           |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                        |
| QUANTITY AVAILABLE                | 5766 pcs                                                                                          |
| DATA SHEET                        |  KA3403DTF.pdf |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 3 V ~ 36 V, ±1.5 V ~ 18 V                                                                         |
| VOLTAGE - INPUT OFFSET            | 1.5mV                                                                                             |
| SUPPLIER DEVICE PACKAGE           | 14-SOP                                                                                            |
| SLEW RATE                         | 0.4 V/μs                                                                                          |
| SERIES                            | -                                                                                                 |
| PACKAGING                         | Tape & Reel (TR)                                                                                  |
| PACKAGE / CASE                    | 14-SOIC (0.154", 3.90mm Width)                                                                    |
| OUTPUT TYPE                       | -                                                                                                 |
| OPERATING TEMPERATURE             | 0°C ~ 70°C                                                                                        |
| NUMBER OF CIRCUITS                | 4                                                                                                 |
| MOUNTING TYPE                     | Surface Mount                                                                                     |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                                                     |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                        |
| GAIN BANDWIDTH PRODUCT            | 9kHz                                                                                              |
| DETAILED DESCRIPTION              | General Purpose Amplifier 4 Circuit 14-SOP                                                        |
| CURRENT - SUPPLY                  | 2.3mA                                                                                             |
| CURRENT - OUTPUT / CHANNEL        | 20mA                                                                                              |
| CURRENT - INPUT BIAS              | 30nA                                                                                              |
| BASE PART NUMBER                  | KA3403                                                                                            |
| AMPLIFIER TYPE                    | General Purpose                                                                                   |
| -3DB BANDWIDTH                    | 1MHz                                                                                              |
