

ON Semiconductor®  

AMI Semiconductor / ON

Semiconductor

Part Number: NCV7349D13R2G

Manufacturer/Brand: AMI Semiconductor / ON Semiconductor

Product description: IC TXRX CAN HS LP 8SOIC

Datasheets:  NCV7349D13R2G.pdf

RoHs Status:  Lead free / RoHS Compliant

Stock Condition: 232135 pcs stock

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of NCV7349D13R2G

|                                  |                                                                                                       |

| MANUFACTURER                     | AMI Semiconductor / ON Semiconductor                                                                  |
| DESCRIPTION                      | IC TXRX CAN HS LP 8SOIC                                                                               |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                            |
| QUANTITY AVAILABLE               | 232135 pcs                                                                                            |
| DATA SHEET                       |  NCV7349D13R2G.pdf |
| VOLTAGE - SUPPLY                 | 4.75 V ~ 5.25 V                                                                                       |
| TYPE                             | Transceiver                                                                                           |
| SUPPLIER DEVICE PACKAGE          | 8-SOIC                                                                                                |
| SERIES                           | Automotive, AEC-Q100                                                                                  |
| PROTOCOL                         | CANbus                                                                                                |
| PACKAGING                        | Tape & Reel (TR)                                                                                      |
| PACKAGE / CASE                   | 8-SOIC (0.154", 3.90mm Width)                                                                         |
| OTHER NAMES                      | NCV7349D13R2G-ND<br>NCV7349D13R2GOSTR                                                                 |
| OPERATING TEMPERATURE            | -40°C ~ 150°C                                                                                         |
| NUMBER OF DRIVERS/RECEIVERS      | 1/1                                                                                                   |
| MOUNTING TYPE                    | Surface Mount                                                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL) | 2 (1 Year)                                                                                            |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                            |
| DUPLEX                           | Half                                                                                                  |
| DETAILED DESCRIPTION             | 1/1 Transceiver Half CANbus 8-SOIC                                                                    |
| DATA RATE                        | -                                                                                                     |
