| DESCRIPTION                       | IC OPAMP BUFFER 165MHZ RRO 8SO                                                                                          |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                                              |
| QUANTITY AVAILABLE                | 25435 pcs                                                                                                               |
| DATA SHEET                        |  <a href="#">LT6201CS8#TRPBF.pdf</a> |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 2.5 V ~ 12.6 V, ±1.25 V ~ 6.3 V                                                                                         |
| VOLTAGE - INPUT OFFSET            | 2.5mV                                                                                                                   |
| SUPPLIER DEVICE PACKAGE           | 8-SO                                                                                                                    |
| SLEW RATE                         | 50 V/μs                                                                                                                 |
| SERIES                            | -                                                                                                                       |
| PACKAGING                         | Tape & Reel (TR)                                                                                                        |
| PACKAGE / CASE                    | 8-SOIC (0.154", 3.90mm Width)                                                                                           |
| OUTPUT TYPE                       | Rail-to-Rail                                                                                                            |
| OPERATING TEMPERATURE             | 0°C ~ 70°C                                                                                                              |
| NUMBER OF CIRCUITS                | 2                                                                                                                       |
| MOUNTING TYPE                     | Surface Mount                                                                                                           |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                                                                           |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                                              |
| GAIN BANDWIDTH PRODUCT            | 165MHz                                                                                                                  |
| DETAILED DESCRIPTION              | Buffer Amplifier 2 Circuit Rail-to-Rail 8-SO                                                                            |
| CURRENT - SUPPLY                  | 20mA                                                                                                                    |
| CURRENT - INPUT BIAS              | 23μA                                                                                                                    |
| BASE PART NUMBER                  | LT6201                                                                                                                  |
| AMPLIFIER TYPE                    | Buffer                                                                                                                  |
