| VOLTAGE - SUPPLY, SINGLE (V+)          | 3 V ~ 15 V                                                                            |
| VOLTAGE - SUPPLY, DUAL (V±)            | ±3 V ~ 8 V                                                                            |
| SWITCH TIME (TON, TOFF) (MAX)          | 130ns, 75ns                                                                           |
| SWITCH CIRCUIT                         | SPST - NC                                                                             |
| SUPPLIER DEVICE PACKAGE                | 16-TSSOP                                                                              |
| SERIES                                 | -                                                                                     |
| PACKAGING                              | Tape & Reel (TR)                                                                      |
| PACKAGE / CASE                         | 16-TSSOP (0.173", 4.40mm Width)                                                       |
| OPERATING TEMPERATURE                  | -40°C ~ 85°C (TA)                                                                     |
| ON-STATE RESISTANCE (MAX)              | 35 Ohm                                                                                |
| NUMBER OF CIRCUITS                     | 4                                                                                     |
| MULTIPLEXER/DEMULTIPLEXER CIRCUIT      | 1:1                                                                                   |
| MOISTURE SENSITIVITY LEVEL (MSL)       | 1 (Unlimited)                                                                         |
| LEAD FREE STATUS / ROHS STATUS         | Lead free / RoHS Compliant                                                            |
| DETAILED DESCRIPTION                   | 4 Circuit IC Switch 1:1 35 Ohm 16-TSSOP                                               |
| CURRENT - LEAKAGE (IS(OFF)) (MAX)      | 100pA                                                                                 |
| CROSSTALK                              | -85dB @ 1MHz                                                                          |
| CHARGE INJECTION                       | 2pC                                                                                   |
| CHANNEL-TO-CHANNEL MATCHING (ΔRON)     | 300 mOhm                                                                              |
| CHANNEL CAPACITANCE (CS(OFF), CD(OFF)) | 9pF, 9pF                                                                              |
| BASE PART NUMBER                       | MAX391                                                                                |
| -3DB BANDWIDTH                         | -                                                                                     |
