| VOLTAGE - SUPPLY (MIN)           | -                                                |
| VOLTAGE - SUPPLY (MAX)           | -                                                |
| VOLTAGE - OUTPUT                 | 15V                                              |
| TYPE                             | Linear                                           |
| TOPOLOGY                         | -                                                |
| SUPPLIER DEVICE PACKAGE          | 24-QFN (4x4)                                     |
| SERIES                           | -                                                |
| PACKAGING                        | Tape & Reel (TR)                                 |
| PACKAGE / CASE                   | 24-VFQFN Exposed Pad                             |
| OTHER NAMES                      | 174960021                                        |
| OPERATING TEMPERATURE            | -20°C ~ 85°C (TA)                                |
| NUMBER OF OUTPUTS                | 4                                                |
| MOUNTING TYPE                    | Surface Mount                                    |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                    |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                       |
| INTERNAL SWITCH(S)               | Yes                                              |
| FREQUENCY                        | -                                                |
| DIMMING                          | -                                                |
| DETAILED DESCRIPTION             | LED Driver IC 4 Output Linear 400mA 24-QFN (4x4) |
| CURRENT - OUTPUT / CHANNEL       | 400mA                                            |
| APPLICATIONS                     | Backlight, Lighting                              |
