FT24C32A-UTG-B

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | FT24C32A-UTG-B                                                                                               |
| Manufacturer/Brand: | Fremont Micro Devices                                                                                        |
| Product description | IC EEPROM 32K I2C 800KHZ 8TSSOP                                                                              |
| Datasheets:         |  FT24C32A-UTG-B.pdf         |
| RoHs Status         |  Lead free / RoHS Compliant |
| Stock Condition     | 668528 pcs stock                                                                                             |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

| DESCRIPTION                      | IC EEPROM 32K I2C 800KHZ 8TSSOP                                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                             |
| QUANTITY AVAILABLE               | 668528 pcs                                                                                             |
| DATA SHEET                       |  FT24C32A-UTG-B.pdf |
| WRITE CYCLE TIME - WORD, PAGE    | 5ms                                                                                                    |
| VOLTAGE - SUPPLY                 | 1.8 V ~ 5.5 V                                                                                          |
| TECHNOLOGY                       | EEPROM                                                                                                 |
| SUPPLIER DEVICE PACKAGE          | 8-TSSOP                                                                                                |
| SERIES                           | -                                                                                                      |
| PACKAGING                        | Tube                                                                                                   |
| PACKAGE / CASE                   | 8-TSSOP (0.173", 4.40mm Width)                                                                         |
| OTHER NAMES                      | 1219-1031<br>FT24C32AUTGB                                                                              |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                      |
| MOUNTING TYPE                    | Surface Mount                                                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                          |
| MEMORY TYPE                      | Non-Volatile                                                                                           |
| MEMORY SIZE                      | 32Kb (4K x 8)                                                                                          |
| MEMORY INTERFACE                 | I²C                                                                                                    |
| MEMORY FORMAT                    | EEPROM                                                                                                 |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                             |
| DETAILED DESCRIPTION             | EEPROM Memory IC 32Kb (4K x 8) I²C 800kHz 700ns 8-TSSOP                                                |
| CLOCK FREQUENCY                  | 800kHz                                                                                                 |
| ACCESS TIME                      | 700ns                                                                                                  |
