|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | MT53D384M32D2DS-053 WT ES:E                                                                                  |
| Manufacturer/Brand: | Micron Technology                                                                                            |
| Product description | IC DRAM 12G 1866MHZ                                                                                          |
| Datasheets:         |                                                                                                              |
| RoHS Status         |  Lead free / RoHS Compliant |
| Stock Condition     | 2312 pcs stock                                                                                               |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

Specifications of MT53D384M32D2DS-053 WT ES:E

|                                  |                                                             |
|----------------------------------|-------------------------------------------------------------|
| PART NUMBER                      | MT53D384M32D2DS-053 WT ES:E                                 |
| MANUFACTURER                     | Micron Technology                                           |
| DESCRIPTION                      | IC DRAM 12G 1866MHZ                                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                  |
| QUANTITY AVAILABLE               | 2312 pcs                                                    |
| DATA SHEET                       |                                                             |
| WRITE CYCLE TIME - WORD, PAGE    | -                                                           |
| VOLTAGE - SUPPLY                 | 1.1V                                                        |
| TECHNOLOGY                       | SDRAM - Mobile LPDDR4                                       |
| SERIES                           | -                                                           |
| OTHER NAMES                      | MT53D384M32D2DS-053 WT ES:E-ND<br>MT53D384M32D2DS-053WTES:E |
| OPERATING TEMPERATURE            | -30°C ~ 85°C (TC)                                           |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                               |
| MEMORY TYPE                      | Volatile                                                    |
| MEMORY SIZE                      | 12Gb (384M x 32)                                            |
| MEMORY INTERFACE                 | -                                                           |
| MEMORY FORMAT                    | DRAM                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                  |
| DETAILED DESCRIPTION             | SDRAM - Mobile LPDDR4 Memory IC 12Gb (384M x 32) 1866MHz    |
| CLOCK FREQUENCY                  | 1866MHz                                                     |
