H11A817D300W

Part Number: H11A817D300W

Manufacturer/Brand: AMI Semiconductor / ON Semiconductor

Product description: OPTOISO 5.3KV TRANSISTOR 4DIP

Datasheets:  H11A817D300W.pdf

RoHs Status:  Lead free / RoHS Compliant

Stock Condition: 4251 pcs stock

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of H11A817D300W

|                                  |                                                                                                      |
|----------------------------------|------------------------------------------------------------------------------------------------------|

| DATA SHEET                       |  H11A817D300W.pdf |
| VOLTAGE - OUTPUT (MAX)           | 70V                                                                                                  |
| VOLTAGE - ISOLATION              | 5300Vrms                                                                                             |
| VOLTAGE - FORWARD (VF) (TYP)     | 1.2V                                                                                                 |
| VCE SATURATION (MAX)             | 200mV                                                                                                |
| TURN ON / TURN OFF TIME (TYP)    | -                                                                                                    |
| SUPPLIER DEVICE PACKAGE          | 4-DIP                                                                                                |
| SERIES                           | -                                                                                                    |
| RISE / FALL TIME (TYP)           | 2.4µs, 2.4µs                                                                                         |
| PACKAGING                        | Tube                                                                                                 |
| PACKAGE / CASE                   | 4-DIP (0.400", 10.16mm)                                                                              |
| OUTPUT TYPE                      | Transistor                                                                                           |
| OPERATING TEMPERATURE            | -55°C ~ 100°C                                                                                        |
| NUMBER OF CHANNELS               | 1                                                                                                    |
| MOUNTING TYPE                    | Through Hole                                                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                           |
| INPUT TYPE                       | DC                                                                                                   |
| DETAILED DESCRIPTION             | Optoisolator Transistor Output 5300Vrms 1 Channel 4-DIP                                              |
| CURRENT TRANSFER RATIO (MIN)     | 300% @ 5mA                                                                                           |
| CURRENT TRANSFER RATIO (MAX)     | 600% @ 5mA                                                                                           |
| CURRENT - OUTPUT / CHANNEL       | 50mA                                                                                                 |
| CURRENT - DC FORWARD (IF) (MAX)  | 50mA                                                                                                 |
