

DS1867S-050/T&R

Part Number:

Manufacturer/Brand:

Product description:

Datasheets:

RoHS Status:

Stock Condition:

Ship From:

Shipment Way:

DS1867S-050/T&R

Maxim Integrated

IC POT W/EEPROM DUAL 50K 16-SOIC

 [DS1867S-050/T&R.pdf](#)

 Contains lead / RoHS non-compliant

21546 pcs stock

Hong Kong

DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of DS1867S-050/T&R

|                                  |                                                                                                                             |

| DESCRIPTION                      | IC POT W/EEPROM DUAL 50K 16-SOIC                                                                                            |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                                          |
| QUANTITY AVAILABLE               | 21546 pcs                                                                                                                   |
| DATA SHEET                       |  <a href="#">DS1867S-050/T&amp;R.pdf</a> |
| VOLTAGE - SUPPLY                 | 5V                                                                                                                          |
| TOLERANCE                        | ±20%                                                                                                                        |
| TEMPERATURE COEFFICIENT (TYP)    | 750 ppm/°C                                                                                                                  |
| TAPER                            | Linear                                                                                                                      |
| SUPPLIER DEVICE PACKAGE          | 16-SOIC                                                                                                                     |
| SERIES                           | -                                                                                                                           |
| RESISTANCE - WIPER (OHMS) (TYP)  | 400                                                                                                                         |
| RESISTANCE (OHMS)                | 50k                                                                                                                         |
| PACKAGING                        | Tape & Reel (TR)                                                                                                            |
| PACKAGE / CASE                   | 16-SOIC (0.295", 7.50mm Width)                                                                                              |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                                                |
| NUMBER OF TAPS                   | 256                                                                                                                         |
| NUMBER OF CIRCUITS               | 2                                                                                                                           |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                               |
| MEMORY TYPE                      | Non-Volatile                                                                                                                |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                                          |
| INTERFACE                        | Serial                                                                                                                      |
| FEATURES                         | Cascade Pin                                                                                                                 |
| DETAILED DESCRIPTION             | Digital Potentiometer 50k Ohm 2 Circuit 256 Taps Serial Interface 16-SOIC                                                   |
| CONFIGURATION                    | Potentiometer                                                                                                               |
