

MAX34417ENE+

|                     |                             |
|---------------------|-----------------------------|
| Part Number:        | MAX34417ENE+                |
| Manufacturer/Brand: | Maxim Integrated            |
| Product description | IC 4CH SMBUS MONITOR 16TWLP |
| Datasheets:         | MAX34417ENE+.pdf            |
| RoHs Status         | RoHS Compliant              |
| Stock Condition     | 4250 pcs stock              |
| Ship From           | Hong Kong                   |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS       |

REQUEST FOR QUOTATION

Specifications of MAX34417ENE+

|                                  |                                                                |

| PART NUMBER                      | MAX34417ENE+                                                   |
| MANUFACTURER                     | Maxim Integrated                                               |
| DESCRIPTION                      | IC 4CH SMBUS MONITOR 16TWLP                                    |
| LEAD FREE STATUS / ROHS STATUS   | RoHS Compliant                                                 |
| QUANTITY AVAILABLE               | 4250 pcs                                                       |
| DATA SHEET                       | MAX34417ENE+.pdf                                               |
| VOLTAGE - INPUT                  | 2.7 V ~ 3.6 V                                                  |
| SUPPLIER DEVICE PACKAGE          | 16-WLP (2.01x2.01)                                             |
| SERIES                           | -                                                              |
| SENSING METHOD                   | High-Side                                                      |
| ROHS STATUS                      | RoHS Compliant                                                 |
| PACKAGING                        | Bulk                                                           |
| PACKAGE / CASE                   | 16-XFBGA, WLBGA                                                |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                   |
| MOUNTING TYPE                    | Surface Mount                                                  |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                  |
| FUNCTION                         | Current/Voltage Monitor                                        |
| DETAILED DESCRIPTION             | Current/Voltage Monitor Regulator High-Side 16-WLP (2.01x2.01) |
| CURRENT - OUTPUT                 | -                                                              |
| ACCURACY                         | ±25%                                                           |
