| DATA SHEET                        |  <a href="#">74LV132DB,118.pdf</a> |
| VOLTAGE - SUPPLY                  | 1 V ~ 5.5 V                                                                                                           |
| SUPPLIER DEVICE PACKAGE           | 14-SSOP                                                                                                               |
| SERIES                            | 74LV                                                                                                                  |
| PACKAGING                         | Tape & Reel (TR)                                                                                                      |
| PACKAGE / CASE                    | 14-SSOP (0.209", 5.30mm Width)                                                                                        |
| OTHER NAMES                       | 74LV132DB-T<br>74LV132DB-T-ND<br>935230090118                                                                         |
| OPERATING TEMPERATURE             | -40°C ~ 125°C                                                                                                         |
| NUMBER OF INPUTS                  | 2                                                                                                                     |
| NUMBER OF CIRCUITS                | 4                                                                                                                     |
| MOUNTING TYPE                     | Surface Mount                                                                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                                                                         |
| MAX PROPAGATION DELAY @ V, MAX CL | 9ns @ 5V, 50pF                                                                                                        |
| LOGIC TYPE                        | NAND Gate                                                                                                             |
| LOGIC LEVEL - LOW                 | 0.3 V ~ 1.2 V                                                                                                         |
| LOGIC LEVEL - HIGH                | 1.4 V ~ 3.9 V                                                                                                         |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                                            |
| FEATURES                          | Schmitt Trigger                                                                                                       |
| DETAILED DESCRIPTION              | NAND Gate IC 4 Channel Schmitt Trigger 14-SSOP                                                                        |
| CURRENT - QUIESCENT (MAX)         | 40µA                                                                                                                  |
| CURRENT - OUTPUT HIGH, LOW        | 12mA, 12mA                                                                                                            |
| BASE PART NUMBER                  | 74LV132                                                                                                               |
