

IDT (Integrated Device Technology)

Technology)

Part Number:71V65803S150PFG8

Manufacturer/Brand:IDT (Integrated Device Technology)

Product description:IC SRAM 9M PARALLEL 100TQFP

Datasheets: 71V65803S150PFG8.pdf

RoHs Status: Lead free / RoHS Compliant

Stock Condition:9260 pcs stock

Ship From:Hong Kong

Shipment Way:DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of 71V65803S150PFG8

|                                  |                                                                                                          |

| DATA SHEET                       |  71V65803S150PFG8.pdf |
| WRITE CYCLE TIME - WORD, PAGE    | -                                                                                                        |
| VOLTAGE - SUPPLY                 | 3.135 V ~ 3.465 V                                                                                        |
| TECHNOLOGY                       | SRAM - Synchronous ZBT                                                                                   |
| SUPPLIER DEVICE PACKAGE          | 100-TQFP (14x14)                                                                                         |
| SERIES                           | -                                                                                                        |
| PACKAGING                        | Tape & Reel (TR)                                                                                         |
| PACKAGE / CASE                   | 100-LQFP                                                                                                 |
| OTHER NAMES                      | IDT71V65803S150PFG8<br>IDT71V65803S150PFG8-ND                                                            |
| OPERATING TEMPERATURE            | 0°C ~ 70°C (TA)                                                                                          |
| MOUNTING TYPE                    | Surface Mount                                                                                            |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                            |
| MEMORY TYPE                      | Volatile                                                                                                 |
| MEMORY SIZE                      | 9Mb (512K x 18)                                                                                          |
| MEMORY INTERFACE                 | Parallel                                                                                                 |
| MEMORY FORMAT                    | SRAM                                                                                                     |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                               |
| DETAILED DESCRIPTION             | SRAM - Synchronous ZBT Memory IC 9Mb (512K x 18) Parallel 150MHz 3.8ns 100-TQFP (14x14)                  |
| CLOCK FREQUENCY                  | 150MHz                                                                                                   |
| BASE PART NUMBER                 | IDT71V65803                                                                                              |
| ACCESS TIME                      | 3.8ns                                                                                                    |
