ICS30SN22PCM1-FB

|                     |                            |
|---------------------|----------------------------|
| Part Number:        | ICS30SN22PCM1-FB           |
| Manufacturer/Brand: | Carlo Gavazzi              |
| Product description | SEN PROX FB M30 PLG PNP NC |
| Datasheets:         |                            |
| Stock Condition     | 1015 pcs stock             |
| Ship From           | Hong Kong                  |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS      |

REQUEST FOR QUOTATION

Specifications of ICS30SN22PCM1-FB

|                                  |                                                                       |
|----------------------------------|-----------------------------------------------------------------------|
| PART NUMBER                      | ICS30SN22PCM1-FB                                                      |
| MANUFACTURER                     | Carlo Gavazzi                                                         |
| DESCRIPTION                      | SEN PROX FB M30 PLG PNP NC                                            |
| LEAD FREE STATUS / ROHS STATUS   |                                                                       |
| QUANTITY AVAILABLE               | 1015 pcs                                                              |
| DATA SHEET                       |                                                                       |
| VOLTAGE - SUPPLY                 | 10 V ~ 36 V                                                           |
| TERMINATION STYLE                | Connector                                                             |
| SHIELDING                        | Unshielded                                                            |
| SERIES                           | ICS                                                                   |
| SENSOR TYPE                      | Inductive                                                             |
| RESPONSE FREQUENCY               | 1kHz                                                                  |
| PACKAGE / CASE                   | Cylinder, Threaded - M30                                              |
| OPERATING TEMPERATURE            | -40°C ~ 90°C                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | Not Applicable                                                        |
| MATERIAL - BODY                  | Stainless Steel                                                       |
| INGRESS PROTECTION               | IP67, IP68, IP69K                                                     |
| INDICATOR                        | LED                                                                   |
| DETAILED DESCRIPTION             | Inductive Proximity Sensor IP67, IP68, IP69K Cylinder, Threaded - M30 |
