

API Technologies Corp.

Image may be representation. See specifications for product details.

Part Number:PA251579008SALF

Manufacturer/Brand:API Technologies Corp.

Product description:RF ANT 1.579GHZ CER PATCH PIN

Datasheets:

RoHs Status:Lead free / RoHS Compliant

Stock Condition:16897 pcs stock

Ship From:Hong Kong

Shipment Way:DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

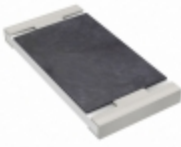

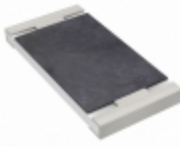

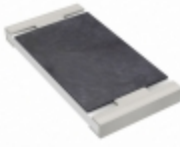

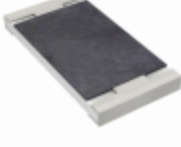

Specifications of PA251579008SALF

|                                  |                                                                              |

| MANUFACTURER                     | API Technologies Corp.                                                       |
| DESCRIPTION                      | RF ANT 1.579GHZ CER PATCH PIN                                                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                   |
| QUANTITY AVAILABLE               | 16897 pcs                                                                    |
| DATA SHEET                       |                                                                              |
| VSWR                             | 2.1                                                                          |
| TERMINATION                      | Pin                                                                          |
| SERIES                           | -                                                                            |
| RETURN LOSS                      | -14dB                                                                        |
| PACKAGING                        | Tray                                                                         |
| OTHER NAMES                      | 1171-1084                                                                    |
| NUMBER OF BANDS                  | 1                                                                            |
| MOUNTING TYPE                    | Adhesive                                                                     |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                   |
| INGRESS PROTECTION               | -                                                                            |
| HEIGHT (MAX)                     | 0.221" (5.61mm)                                                              |
| GAIN                             | 4dBic                                                                        |
| FREQUENCY RANGE                  | 1.575GHz ~ 1.583GHz                                                          |
| FREQUENCY GROUP                  | UHF (1 GHz ~ 2 GHz)                                                          |
| FREQUENCY (CENTER/BAND)          | 1.579GHz                                                                     |
| FEATURES                         | -                                                                            |
| DETAILED DESCRIPTION             | 1.579GHz GPS Ceramic Patch RF Antenna 1.575GHz ~ 1.583GHz 4dBic Pin Adhesive |
| APPLICATIONS                     | GPS                                                                          |
| ANTENNA TYPE                     | Ceramic Patch                                                                |
