

Micron Technology

|                     |                          |
|---------------------|--------------------------|
| Part Number:        | MT29GZ5A5BPGGA-53IT.87J  |
| Manufacturer/Brand: | Micron Technology        |
| Product description | IC FLASH RAM 4G PARALLEL |
| Datasheets:         |                          |
| Stock Condition     | 6463 pcs stock           |
| Ship From           | Hong Kong                |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS    |

REQUEST FOR QUOTATION

Specifications of MT29GZ5A5BPGGA-53IT.87J

|                                |                                                                                                     |
|--------------------------------|-----------------------------------------------------------------------------------------------------|
| PART NUMBER                    | MT29GZ5A5BPGGA-53IT.87J                                                                             |
| MANUFACTURER                   | Micron Technology                                                                                   |
| DESCRIPTION                    | IC FLASH RAM 4G PARALLEL                                                                            |
| LEAD FREE STATUS / ROHS STATUS |                                                                                                     |
| QUANTITY AVAILABLE             | 6463 pcs                                                                                            |
| DATA SHEET                     |                                                                                                     |
| WRITE CYCLE TIME - WORD, PAGE  | -                                                                                                   |
| VOLTAGE - SUPPLY               | 1.8V                                                                                                |
| TECHNOLOGY                     | FLASH - NAND, DRAM - LPDDR4                                                                         |
| SERIES                         | -                                                                                                   |
| OPERATING TEMPERATURE          | -40°C ~ 85°C (TA)                                                                                   |
| MEMORY TYPE                    | Non-Volatile                                                                                        |
| MEMORY SIZE                    | 4Gb (512M x 8)(NAND), 4G (128M x 32)(LPDDR4)                                                        |
| MEMORY INTERFACE               | Parallel                                                                                            |
| MEMORY FORMAT                  | FLASH, RAM                                                                                          |
| LEAD FREE STATUS               | Lead free                                                                                           |
| DETAILED DESCRIPTION           | FLASH - NAND, DRAM - LPDDR4 Memory IC 4Gb (512M x 8)(NAND), 4G (128M x 32)(LPDDR4) Parallel 1866MHz |
| CLOCK FREQUENCY                | 1866MHz                                                                                             |
