| MANUFACTURER                     | OmniVision Technologies                                               |
| DESCRIPTION                      | IC IMAGE SENSOR 5MP RW                                                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                            |
| QUANTITY AVAILABLE               | 14196 pcs                                                             |
| DATA SHEET                       |                                                                       |
| VOLTAGE - SUPPLY                 | 2.8V                                                                  |
| TYPE                             | CMOS with Processor                                                   |
| SUPPLIER DEVICE PACKAGE          | Module                                                                |
| SERIES                           | OmniBSI™                                                              |
| PIXEL SIZE                       | 1.75µm x 1.75µm                                                       |
| PACKAGING                        | Bulk                                                                  |
| PACKAGE / CASE                   | Module                                                                |
| OPERATING TEMPERATURE            | -30°C ~ 70°C (TA)                                                     |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                            |
| FRAMES PER SECOND                | 15                                                                    |
| DETAILED DESCRIPTION             | CMOS with Processor Image Sensor 2592H x 1944V 1.75µm x 1.75µm Module |
| ACTIVE PIXEL ARRAY               | 2592H x 1944V                                                         |
