

S99GL01GP13FFIV10

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | S99GL01GP13FFIV10                                                                                            |
| Manufacturer/Brand: | Cypress Semiconductor                                                                                        |
| Product description | IC FLASH 1G PARALLEL 64FBGA                                                                                  |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Stock Condition     | 6782 pcs stock                                                                                               |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

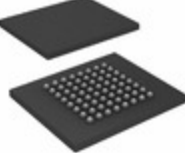

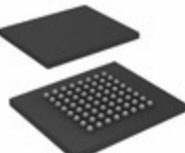

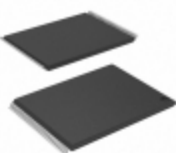

Specifications of S99GL01GP13FFIV10

|                                  |                                                               |
|----------------------------------|---------------------------------------------------------------|
| PART NUMBER                      | S99GL01GP13FFIV10                                             |
| MANUFACTURER                     | Cypress Semiconductor                                         |
| DESCRIPTION                      | IC FLASH 1G PARALLEL 64FBGA                                   |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                    |
| QUANTITY AVAILABLE               | 6782 pcs                                                      |
| DATA SHEET                       |                                                               |
| WRITE CYCLE TIME - WORD, PAGE    | -                                                             |
| VOLTAGE - SUPPLY                 | 1.65 V ~ 3.6 V                                                |
| TECHNOLOGY                       | FLASH - NOR                                                   |
| SUPPLIER DEVICE PACKAGE          | 64-FBGA (11x13)                                               |
| SERIES                           | GL-P                                                          |
| PACKAGING                        | Tray                                                          |
| PACKAGE / CASE                   | 64-LBGA                                                       |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                             |
| MOUNTING TYPE                    | Surface Mount                                                 |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                 |
| MEMORY TYPE                      | Non-Volatile                                                  |
| MEMORY SIZE                      | 1Gb (128M x 8)                                                |
| MEMORY INTERFACE                 | Parallel                                                      |
| MEMORY FORMAT                    | FLASH                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                    |
| DETAILED DESCRIPTION             | FLASH - NOR Memory IC 1Gb (128M x 8) Parallel 64-FBGA (11x13) |
