| VOLTAGE - SUPPLY                 | 1 V ~ 13.2 V                                                                              |
| TYPE                             | Hot Swap Controller                                                                       |
| SUPPLIER DEVICE PACKAGE          | 20-QSOP                                                                                   |
| SERIES                           | VariableSpeed/BiLevel™                                                                    |
| PROGRAMMABLE FEATURES            | Auto Retry, Circuit Breaker, Current Limit, Fault Timeout, UVLO                           |
| PACKAGING                        | Tape & Reel (TR)                                                                          |
| PACKAGE / CASE                   | 20-SSOP (0.154", 3.90mm Width)                                                            |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                              |
| NUMBER OF CHANNELS               | 3                                                                                         |
| MOUNTING TYPE                    | Surface Mount                                                                             |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                             |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                |
| INTERNAL SWITCH(S)               | No                                                                                        |
| FEATURES                         | Fault Timeout                                                                             |
| FEATURE PINS                     | IN1, IN2, IN3, LATCH MODE, ON1, ON2, ON3, STAT1, STAT2, STAT3, TIM                        |
| DETAILED DESCRIPTION             | Hot Swap Controller 3 Channel General Purpose 20-QSOP                                     |
| CURRENT - SUPPLY                 | 2.5mA                                                                                     |
| CURRENT - OUTPUT (MAX)           | -                                                                                         |
| BASE PART NUMBER                 | MAX5931                                                                                   |
| APPLICATIONS                     | General Purpose                                                                           |
