SC16C650BIN40,112

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | SC16C650BIN40,112                                                                                            |
| Manufacturer/Brand: | NXP Semiconductors / Freescale                                                                               |
| Product description | IC UART SINGLE W/FIFO 40-DIP                                                                                 |
| Datasheets:         |                                                                                                              |
| RoHS Status         |  Lead free / RoHS Compliant |
| Stock Condition     | 3557 pcs stock                                                                                               |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

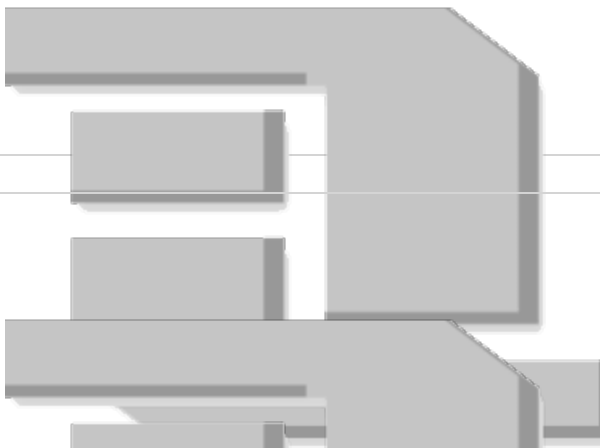

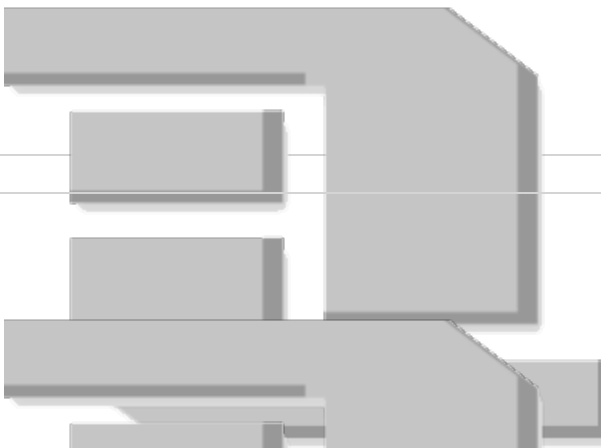

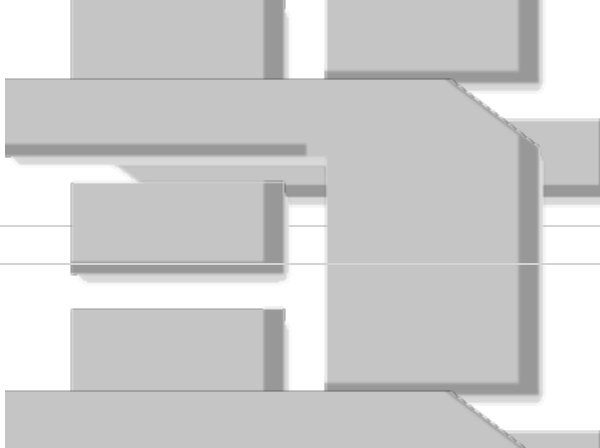

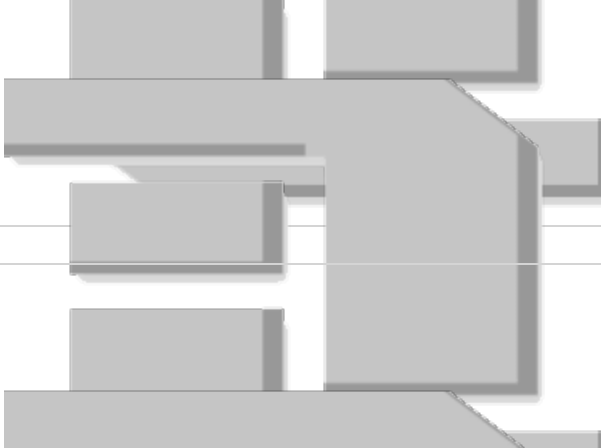

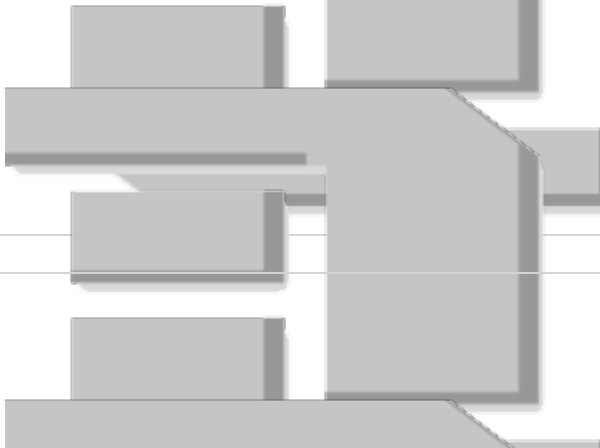

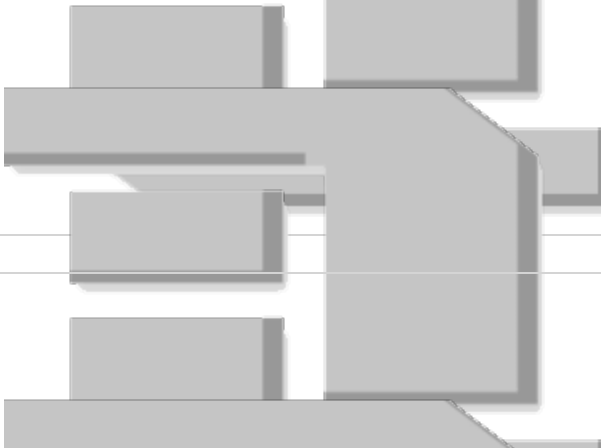

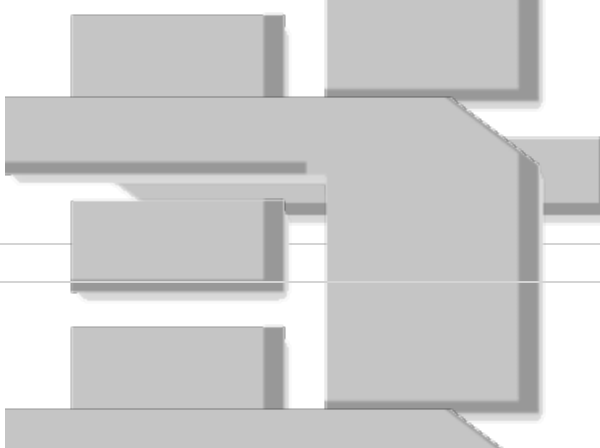

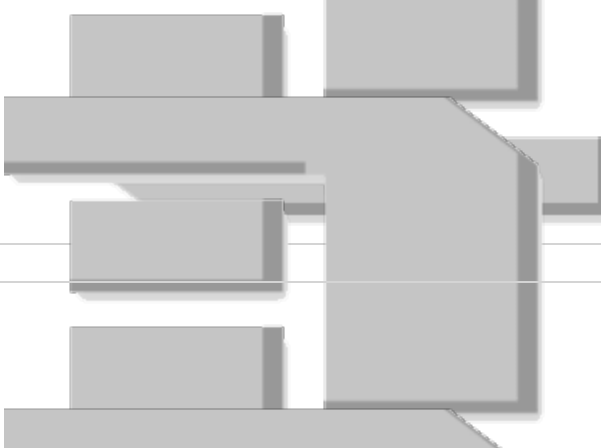

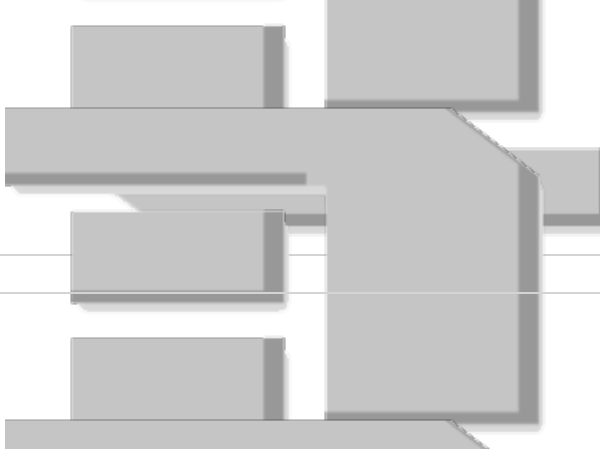

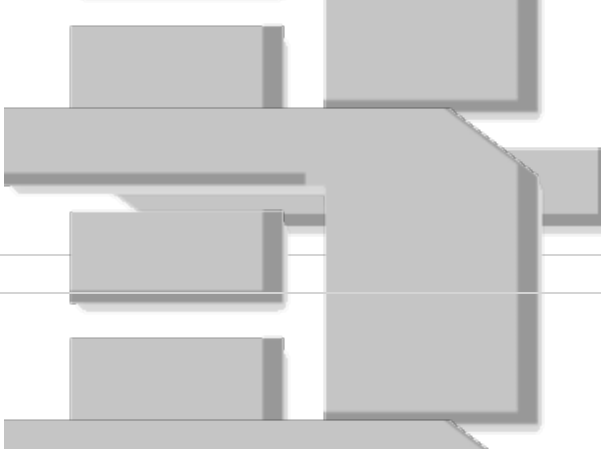

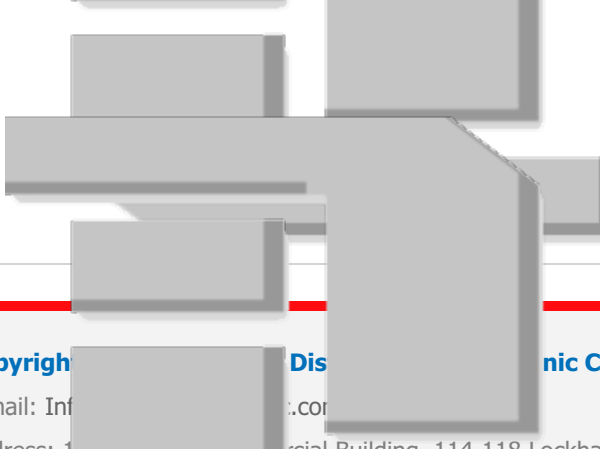

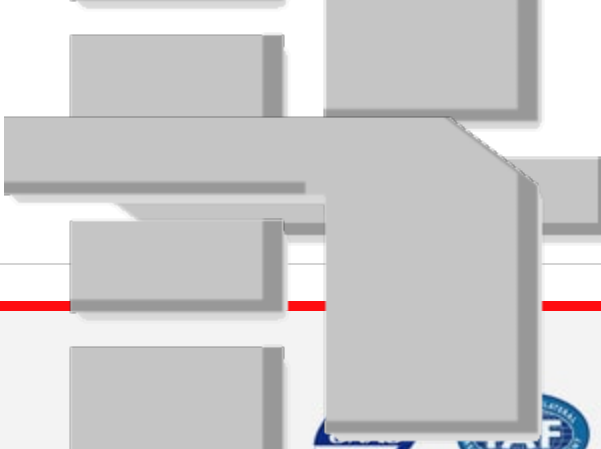

Specifications of SC16C650BIN40,112

|                                  |                                             |
|----------------------------------|---------------------------------------------|
| PART NUMBER                      | SC16C650BIN40,112                           |
| MANUFACTURER                     | NXP Semiconductors / Freescale              |
| DESCRIPTION                      | IC UART SINGLE W/FIFO 40-DIP                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                  |
| QUANTITY AVAILABLE               | 3557 pcs                                    |
| DATA SHEET                       |                                             |
| WITH MODEM CONTROL               | Yes                                         |
| WITH IRDA ENCODER/DECODER        | Yes                                         |
| WITH FALSE START BIT DETECTION   | Yes                                         |
| WITH AUTO FLOW CONTROL           | Yes                                         |
| VOLTAGE - SUPPLY                 | 2.5V, 3.3V, 5V                              |
| SUPPLIER DEVICE PACKAGE          | 40-DIP                                      |
| SERIES                           | -                                           |
| PROTOCOL                         | -                                           |
| PACKAGING                        | Tube                                        |
| PACKAGE / CASE                   | 40-DIP (0.600", 15.24mm)                    |
| OTHER NAMES                      | 568-2045-5<br>935274389112<br>SC16C650BIN40 |
| NUMBER OF CHANNELS               | 1, UART                                     |
| MOUNTING TYPE                    | Through Hole                                |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                               |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                  |
| FEATURES                         | -                                           |
| FIFO'S                           | 32 Byte                                     |
| DATA RATE (MAX)                  | 3Mbps                                       |
| BASE PART NUMBER                 | SC16C650                                    |
