

FG4500PL

|                     |                                  |
|---------------------|----------------------------------|
| Part Number:        | FG4500PL                         |
| Manufacturer/Brand: | Laird Technologies - Antennas    |
| Product description | RF ANT 460MHZ WHIP STR N FEM 26" |
| Datasheets:         |                                  |
| RoHs Status         | Lead free / RoHS Compliant       |
| Stock Condition     | 1276 pcs stock                   |
| Ship From           | Hong Kong                        |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS            |

REQUEST FOR QUOTATION

| MANUFACTURER                     | Laird Technologies - Antennas                                                      |
| DESCRIPTION                      | RF ANT 460MHZ WHIP STR N FEM 26"                                                   |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                         |
| QUANTITY AVAILABLE               | 1276 pcs                                                                           |
| DATA SHEET                       |                                                                                    |
| VSWR                             | -                                                                                  |
| TERMINATION                      | Connector, N Female                                                                |
| SERIES                           | -                                                                                  |
| RETURN LOSS                      | -                                                                                  |
| PACKAGING                        | Bulk                                                                               |
| NUMBER OF BANDS                  | 1                                                                                  |
| MOUNTING TYPE                    | Bracket Mount                                                                      |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                         |
| INGRESS PROTECTION               | -                                                                                  |
| HEIGHT (MAX)                     | -                                                                                  |
| GAIN                             | -                                                                                  |
| FREQUENCY RANGE                  | 450MHz ~ 470MHz                                                                    |
| FREQUENCY GROUP                  | UHF (300 MHz ~ 1 GHz)                                                              |
| FREQUENCY (CENTER/BAND)          | 460MHz                                                                             |
| FEATURES                         | -                                                                                  |
| DETAILED DESCRIPTION             | 460MHz Whip, Straight RF Antenna 450MHz ~ 470MHz Connector, N Female Bracket Mount |
| APPLICATIONS                     | -                                                                                  |
| ANTENNA TYPE                     | Whip, Straight                                                                     |
