EI1204PPCSS-1

|                     |                          |
|---------------------|--------------------------|
| Part Number:        | EI1204PPCSS-1            |
| Manufacturer/Brand: | Carlo Gavazzi            |
| Product description | SEN PROX M12 PNP NC PLUG |
| Datasheets:         |                          |
| Stock Condition     | 1348 pcs stock           |
| Ship From           | Hong Kong                |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS    |

REQUEST FOR QUOTATION

Specifications of EI1204PPCSS-1

|                                  |                                                                                       |

| MANUFACTURER                     | Carlo Gavazzi                                                                         |
| DESCRIPTION                      | SEN PROX M12 PNP NC PLUG                                                              |
| LEAD FREE STATUS / ROHS STATUS   |                                                                                       |
| QUANTITY AVAILABLE               | 1348 pcs                                                                              |
| DATA SHEET                       |                                                                                       |
| VOLTAGE - SUPPLY                 | 10 V ~ 40 V                                                                           |
| TERMINATION STYLE                | Connector                                                                             |
| SHIELDING                        | Unshielded                                                                            |
| SERIES                           | EI                                                                                    |
| SENSOR TYPE                      | Inductive                                                                             |
| SENSING DISTANCE                 | 0.16" (4mm)                                                                           |
| RESPONSE FREQUENCY               | 500Hz                                                                                 |
| PACKAGE / CASE                   | Cylinder, Threaded - M12                                                              |
| OUTPUT TYPE                      | PNP-NC, 3-Wire                                                                        |
| OPERATING TEMPERATURE            | -25°C ~ 70°C (TA)                                                                     |
| MOISTURE SENSITIVITY LEVEL (MSL) | Not Applicable                                                                        |
| MATERIAL - BODY                  | Stainless Steel                                                                       |
| INGRESS PROTECTION               | IP67, NEMA 1,3,4,6,13                                                                 |
| INDICATOR                        | LED                                                                                   |
| DETAILED DESCRIPTION             | Inductive Proximity Sensor 0.16" (4mm) IP67, NEMA 1,3,4,6,13 Cylinder, Threaded - M12 |
