

ON Semiconductor®  

AMI Semiconductor / ON

Semiconductor

Part Number:MC10EL16DTR2

Manufacturer/Brand:AMI Semiconductor / ON Semiconductor

Product description:IC RCVR ECL DIFFERENTL 5V 8TSSOP

Datasheets: MC10EL16DTR2.pdf

RoHs Status: Contains lead / RoHS non-compliant

Stock Condition:5108 pcs stock

Ship From:Hong Kong

Shipment Way:DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of MC10EL16DTR2

|                                  |                                                                                                      |
|----------------------------------|------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | MC10EL16DTR2                                                                                         |
| MANUFACTURER                     | AMI Semiconductor / ON Semiconductor                                                                 |
| DESCRIPTION                      | IC RCVR ECL DIFFERENTL 5V 8TSSOP                                                                     |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                   |
| QUANTITY AVAILABLE               | 5108 pcs                                                                                             |
| DATA SHEET                       |  MC10EL16DTR2.pdf |
| SUPPLY VOLTAGE                   | 4.2 V ~ 5.7 V                                                                                        |
| SUPPLIER DEVICE PACKAGE          | 8-TSSOP                                                                                              |
| SERIES                           | 10EL                                                                                                 |
| PACKAGING                        | Tape & Reel (TR)                                                                                     |
| PACKAGE / CASE                   | 8-TSSOP, 8-MSOP (0.118", 3.00mm Width)                                                               |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                         |
| NUMBER OF BITS                   | 1                                                                                                    |
| MOUNTING TYPE                    | Surface Mount                                                                                        |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                        |
| LOGIC TYPE                       | Differential Receiver                                                                                |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                   |
| DETAILED DESCRIPTION             | Differential Receiver IC 8-TSSOP                                                                     |
| BASE PART NUMBER                 | 10EL16                                                                                               |
