

PTRF1212IRGZR

|                     |                            |
|---------------------|----------------------------|
| Part Number:        | PTRF1212IRGZR              |
| Manufacturer/Brand: | N/A                        |
| Product description | PTRF1212IRGZR              |
| Datasheets:         |                            |
| RoHs Status         | Lead free / RoHS Compliant |
| Stock Condition     | 5694 pcs stock             |
| Ship From           | Hong Kong                  |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS      |

REQUEST FOR QUOTATION

Specifications of PTRF1212IRGZR

|                                  |                                                                                                |

| DESCRIPTION                      | PTRF1212IRGZR                                                                                  |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                     |
| QUANTITY AVAILABLE               | 5694 pcs                                                                                       |
| DATA SHEET                       |                                                                                                |
| SUPPLIER DEVICE PACKAGE          | 48-VQFN (7x7)                                                                                  |
| SERIES                           | -                                                                                              |
| SECONDARY ATTRIBUTES             | With IF Down-Conversion                                                                        |
| RF TYPE                          | UHF, VHG                                                                                       |
| PACKAGING                        | Tape & Reel (TR)                                                                               |
| PACKAGE / CASE                   | 48-VFQFN Exposed Pad                                                                           |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                  |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                     |
| FUNCTION                         | Dual VCO/PLL Synthesizer                                                                       |
| FREQUENCY                        | 2.4GHz ~ 3.55GHz                                                                               |
| DETAILED DESCRIPTION             | RF IC Dual VCO/PLL Synthesizer UHF, VHG 2.4GHz ~ 3.55GHz With IF Down-Conversion 48-VQFN (7x7) |
