| QUANTITY AVAILABLE               | 2996 pcs                                                                                   |
| DATA SHEET                       |                                                                                            |
| VOLTAGE - OUTPUT (MIN/FIXED)     | 1.2V                                                                                       |
| VOLTAGE - OUTPUT (MAX)           | 37V                                                                                        |
| VOLTAGE - INPUT (MIN)            | 6.5V                                                                                       |
| VOLTAGE - INPUT (MAX)            | 40V                                                                                        |
| TOPOLOGY                         | Buck                                                                                       |
| SYNCHRONOUS RECTIFIER            | No                                                                                         |
| SUPPLIER DEVICE PACKAGE          | 8-PDIP                                                                                     |
| SERIES                           | SIMPLE SWITCHER®                                                                           |
| PACKAGING                        | Tube                                                                                       |
| PACKAGE / CASE                   | 8-DIP (0.300", 7.62mm)                                                                     |
| OUTPUT TYPE                      | Adjustable                                                                                 |
| OUTPUT CONFIGURATION             | Positive                                                                                   |
| OPERATING TEMPERATURE            | -40°C ~ 125°C (TJ)                                                                         |
| NUMBER OF OUTPUTS                | 1                                                                                          |
| MOUNTING TYPE                    | Through Hole                                                                               |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                              |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                         |
| FUNCTION                         | Step-Down                                                                                  |
| FREQUENCY - SWITCHING            | 260kHz                                                                                     |
| DETAILED DESCRIPTION             | Buck Switching Regulator IC Positive Adjustable 1.2V 1 Output 500mA 8-DIP (0.300", 7.62mm) |
| CURRENT - OUTPUT                 | 500mA                                                                                      |
| BASE PART NUMBER                 | LM2674                                                                                     |
