

TRF4903PW

|                     |                               |
|---------------------|-------------------------------|
| Part Number:        | TRF4903PW                     |
| Manufacturer/Brand: | N/A                           |
| Product description | IC SINGLE-CHIP RF TX 24-TSSOP |
| Datasheets:         |                               |
| RoHs Status         | Lead free / RoHS Compliant    |
| Stock Condition     | 5730 pcs stock                |
| Ship From           | Hong Kong                     |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS         |

REQUEST FOR QUOTATION

Specifications of TRF4903PW

|                                  |                                                                                                                                      |
|----------------------------------|--------------------------------------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | TRF4903PW                                                                                                                            |
| MANUFACTURER                     | N/A                                                                                                                                  |
| DESCRIPTION                      | IC SINGLE-CHIP RF TX 24-TSSOP                                                                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                                           |
| QUANTITY AVAILABLE               | 5730 pcs                                                                                                                             |
| DATA SHEET                       |                                                                                                                                      |
| VOLTAGE - SUPPLY                 | 2.2 V ~ 3.6 V                                                                                                                        |
| SERIES                           | -                                                                                                                                    |
| POWER - OUTPUT                   | -12dBm ~ 8dBm                                                                                                                        |
| PACKAGING                        | Tube                                                                                                                                 |
| PACKAGE / CASE                   | 24-TSSOP (0.173" , 4.40mm Width)                                                                                                     |
| OTHER NAMES                      | 296-17876-5                                                                                                                          |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL) | 2 (1 Year)                                                                                                                           |
| MODULATION OR PROTOCOL           | FSK, OOK                                                                                                                             |
| MEMORY SIZE                      | -                                                                                                                                    |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                                           |
| FREQUENCY                        | 315MHz, 433MHz, 868MHz, and 915MHz                                                                                                   |
| FEATURES                         | -                                                                                                                                    |
| DETAILED DESCRIPTION             | RF Transmitter FSK, OOK 315MHz, 433MHz, 868MHz, and 915MHz -12dBm ~ 8dBm PCB, Surface Mount Antenna 24-TSSOP (0.173" , 4.40mm Width) |
| DATA RATE (MAX)                  | -                                                                                                                                    |
| DATA INTERFACE                   | PCB, Surface Mount                                                                                                                   |
| CURRENT - TRANSMITTING           | 35mA                                                                                                                                 |
| APPLICATIONS                     | -                                                                                                                                    |
| ANTENNA CONNECTOR                | PCB, Surface Mount                                                                                                                   |
