#### Specifications of SN74ALS561AN

|                                  |                                                                 |
|----------------------------------|-----------------------------------------------------------------|
| PART NUMBER                      | SN74ALS561AN                                                    |
| MANUFACTURER                     | N/A                                                             |
| DESCRIPTION                      | IC COUNTER BIN 4BIT SYNCH 20-DIP                                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                      |
| QUANTITY AVAILABLE               | 21397 pcs                                                       |
| DATA SHEET                       |                                                                 |
| VOLTAGE - SUPPLY                 | 4.5V ~ 5.5V                                                     |
| TRIGGER TYPE                     | Positive Edge                                                   |
| TIMING                           | Synchronous                                                     |
| SUPPLIER DEVICE PACKAGE          | 20-PDIP                                                         |
| SERIES                           | 74ALS                                                           |
| RESET                            | Asynchronous/Synchronous                                        |
| PACKAGING                        | Tube                                                            |
| PACKAGE / CASE                   | 20-DIP (0.300", 7.62mm)                                         |
| OPERATING TEMPERATURE            | 0°C ~ 70°C                                                      |
| NUMBER OF ELEMENTS               | 1                                                               |
| NUMBER OF BITS PER ELEMENT       | 4                                                               |
| MOUNTING TYPE                    | Through Hole                                                    |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                   |
| LOGIC TYPE                       | Binary Counter                                                  |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                      |
| DIRECTION                        | Down                                                            |
| DETAILED DESCRIPTION             | Counter IC Binary Counter 1 Element 4 Bit Positive Edge 20-PDIP |
| COUNT RATE                       | 30MHz                                                           |
| BASE PART NUMBER                 | 74ALS561                                                        |
