|                                  |                                                |
|----------------------------------|------------------------------------------------|
| PART NUMBER                      | LM26CIM5X-SPA                                  |
| MANUFACTURER                     | N/A                                            |
| DESCRIPTION                      | IC THERMOSTAT PRESET SOT23-5                   |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant             |
| QUANTITY AVAILABLE               | 6145 pcs                                       |
| DATA SHEET                       |                                                |
| VOLTAGE - SUPPLY                 | 2.7V ~ 5.5V                                    |
| TRIP TEMPERATURE THRESHOLD       | Hot                                            |
| SWITCHING TEMPERATURE            | 70°C                                           |
| SUPPLIER DEVICE PACKAGE          | SOT-23-5                                       |
| SERIES                           | -                                              |
| SELECTABLE HYSTERESIS            | Yes                                            |
| PACKAGING                        | Tape & Reel (TR)                               |
| PACKAGE / CASE                   | SC-74A, SOT-753                                |
| OUTPUT TYPE                      | Open Drain                                     |
| OUTPUT FUNCTION                  | /OverTemp                                      |
| OUTPUT                           | Active Low                                     |
| OPERATING TEMPERATURE            | -55°C ~ 125°C                                  |
| MOUNTING TYPE                    | Surface Mount                                  |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                  |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant             |
| FEATURES                         | -                                              |
| DETAILED DESCRIPTION             | Thermostat 70°C Active Low Open Drain SOT-23-5 |
| CURRENT - SUPPLY                 | 16μA                                           |
| CURRENT - OUTPUT (MAX)           | -                                              |
| ACCURACY                         | ±3°C                                           |
