| DESCRIPTION                      | IC MCU 32BIT 512KB FLASH 176BGA                                                                    |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                 |
| QUANTITY AVAILABLE               | 1186 pcs                                                                                           |
| DATA SHEET                       |                                                                                                    |
| VOLTAGE - SUPPLY (VCC/VDD)       | FLASH                                                                                              |
| VOLTAGE - BREAKDOWN              | 176-BGA (15x15)                                                                                    |
| SERIES                           | C2000™ C28x Delfino™                                                                               |
| ROHS STATUS                      | Tray                                                                                               |
| REVERSE RECOVERY TIME (TRR)      | 150MHz                                                                                             |
| REQUIRES                         | DMA, POR, PWM, WDT                                                                                 |
| PROGRAM MEMORY TYPE              | 512KB (256K x 16)                                                                                  |
| PROGRAM MEMORY SIZE              | CAN, EBI/EMI, I²C, McBSP, SCI, SPI, UART/USART                                                     |
| POLARIZATION                     | 176-BGA                                                                                            |
| OTHER NAMES                      | 296-25723                                                                                          |
| OSCILLATOR TYPE                  | A/D 16x12b                                                                                         |
| OPERATING TEMPERATURE            | -55°C ~ 125°C (TA)                                                                                 |
| OPERATING SYSTEM                 | C28x                                                                                               |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                      |
| MANUFACTURER PART NUMBER         | SM320F28335GJZMEP                                                                                  |
| EXPANDED DESCRIPTION             | C28x C2000™ C28x Delfino™ Microcontroller IC 32-Bit 150MHz 512KB (256K x 16) FLASH 176-BGA (15x15) |
| DESCRIPTION                      | IC MCU 32BIT 512KB FLASH 176BGA                                                                    |
| DATA SRAM BYTES                  | -                                                                                                  |
| DATA CONVERTERS                  | 1.805 V ~ 1.995 V                                                                                  |
| CORE SIZE                        | 34K x 16                                                                                           |
| CONTROLLER SERIES                | Internal                                                                                           |
| CONNECTIVITY                     | 32-Bit                                                                                             |
| CLOCK RATE                       | 88                                                                                                 |
