SAA7706H/N107,518

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | SAA7706H/N107,518                                                                                            |
| Manufacturer/Brand: | NXP Semiconductors / Freescale                                                                               |
| Product description | IC CAR RADIO DSP 80-QFP                                                                                      |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Stock Condition     | 4743 pcs stock                                                                                               |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

Specifications of SAA7706H/N107,518

|                                  |                                                       |
|----------------------------------|-------------------------------------------------------|
| PART NUMBER                      | SAA7706H/N107,518                                     |
| MANUFACTURER                     | NXP Semiconductors / Freescale                        |
| DESCRIPTION                      | IC CAR RADIO DSP 80-QFP                               |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                            |
| QUANTITY AVAILABLE               | 4743 pcs                                              |
| DATA SHEET                       |                                                       |
| VOLTAGE - I/O                    | 3.30V                                                 |
| VOLTAGE - CORE                   | 3.30V                                                 |
| TYPE                             | Car Signal Processor                                  |
| SUPPLIER DEVICE PACKAGE          | 80-PQFP (14x20)                                       |
| SERIES                           | -                                                     |
| PACKAGING                        | Tape & Reel (TR)                                      |
| PACKAGE / CASE                   | 80-BQFP                                               |
| OTHER NAMES                      | 935267098518<br>SAA7706H/N107-T<br>SAA7706H/N107-T-ND |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                     |
| ON-CHIP RAM                      | -                                                     |
| NON-VOLATILE MEMORY              | -                                                     |
| MOUNTING TYPE                    | Surface Mount                                         |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                            |
| INTERFACE                        | I²C, I²S, LSB, SPDIF                                  |
| CLOCK RATE                       | -                                                     |
| BASE PART NUMBER                 | SAA7706                                               |
