BD6384EFV-E2

|                     |                                                                                                                    |
|---------------------|--------------------------------------------------------------------------------------------------------------------|
| Part Number:        | BD6384EFV-E2                                                                                                       |
| Manufacturer/Brand: | LAPIS Semiconductor                                                                                                |
| Product description | IC MOTOR DRIVER PAR 40HTSSOP                                                                                       |
| Datasheets:         |  <a href="#">BD6384EFV-E2.pdf</a> |
| RoHs Status         |  Lead free / RoHS Compliant       |
| Stock Condition     | 12249 pcs stock                                                                                                    |
| Ship From           | Hong Kong                                                                                                          |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                              |

REQUEST FOR QUOTATION

Specifications of BD6384EFV-E2

|                                  |                                                                                                                      |
|----------------------------------|----------------------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | BD6384EFV-E2                                                                                                         |

| DESCRIPTION                      | IC MOTOR DRIVER PAR 40HTSSOP                                                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                           |
| QUANTITY AVAILABLE               | 12249 pcs                                                                                                            |
| DATA SHEET                       |  <a href="#">BD6384EFV-E2.pdf</a> |
| VOLTAGE - SUPPLY                 | 3 V ~ 5.5 V                                                                                                          |
| VOLTAGE - LOAD                   | 16 V ~ 28 V                                                                                                          |
| TECHNOLOGY                       | Power MOSFET                                                                                                         |
| SUPPLIER DEVICE PACKAGE          | 40-HTSSOP-B                                                                                                          |
| STEP RESOLUTION                  | -                                                                                                                    |
| SERIES                           | -                                                                                                                    |
| PACKAGING                        | Cut Tape (CT)                                                                                                        |
| PACKAGE / CASE                   | 40-VSSOP (0.213", 5.40mm Width) Exposed Pad                                                                          |
| OUTPUT CONFIGURATION             | Half Bridge (4)                                                                                                      |
| OTHER NAMES                      | BD6384EFV-E2CT                                                                                                       |
| OPERATING TEMPERATURE            | -25°C ~ 150°C (TJ)                                                                                                   |
| MOUNTING TYPE                    | Surface Mount                                                                                                        |
| MOTOR TYPE - STEPPER             | Bipolar                                                                                                              |
| MOTOR TYPE - AC, DC              | -                                                                                                                    |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                           |
| INTERFACE                        | Parallel                                                                                                             |
| FUNCTION                         | Driver - Fully Integrated, Control and Power Stage                                                                   |
| DETAILED DESCRIPTION             | Bipolar Motor Driver Power MOSFET Parallel 40-HTSSOP-B                                                               |
| CURRENT - OUTPUT                 | 1.2A                                                                                                                 |
| BASE PART NUMBER                 | BD638*                                                                                                               |
| APPLICATIONS                     | General Purpose                                                                                                      |
