

MAX6474TA15AD3+

Part Number:

MAX6474TA15AD3+

Manufacturer/Brand:

Maxim Integrated

Product description

IC REG LIN POS ADJ 300MA 8TDFN

Datasheets:

 MAX6474TA15AD3+.pdf

RoHs Status

 Lead free / RoHS Compliant

Stock Condition

28840 pcs stock

Ship From

Hong Kong

Shipment Way

DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

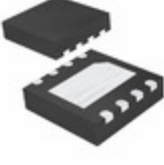

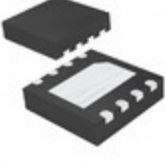

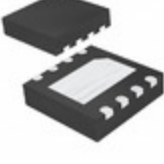

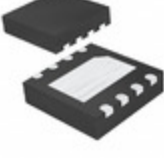

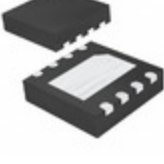

Specifications of MAX6474TA15AD3+

|                                  |                                                                                                           |

| MANUFACTURER                     | Maxim Integrated                                                                                          |
| DESCRIPTION                      | IC REG LIN POS ADJ 300MA 8TDFN                                                                            |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                |
| QUANTITY AVAILABLE               | 28840 pcs                                                                                                 |
| DATA SHEET                       |  MAX6474TA15AD3+.pdf   |
| VOLTAGE DROPOUT (MAX)            | -                                                                                                         |
| VOLTAGE - OUTPUT (MIN/FIXED)     | 1.25V (1.5V)                                                                                              |
| VOLTAGE - OUTPUT (MAX)           | 5.5V                                                                                                      |
| VOLTAGE - INPUT (MAX)            | 5.5V                                                                                                      |
| SUPPLIER DEVICE PACKAGE          | 8-TDFN (3x3)                                                                                              |
| SERIES                           | -                                                                                                         |
| PROTECTION FEATURES              | Over Current, Over Temperature, Reverse Polarity, Short Circuit                                           |
| PACKAGING                        | Strip                                                                                                     |
| PACKAGE / CASE                   | 8-WDFN Exposed Pad                                                                                        |
| PSRR                             | -                                                                                                         |
| OUTPUT TYPE                      | Adjustable (Fixed)                                                                                        |
| OUTPUT CONFIGURATION             | Positive                                                                                                  |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                              |
| NUMBER OF REGULATORS             | 1                                                                                                         |
| MOUNTING TYPE                    | Surface Mount                                                                                             |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                             |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                |
| DETAILED DESCRIPTION             | Linear Voltage Regulator IC Positive Fixed or Adjustable 1 Output 1.5V, 1.25 V ~ 5.5 V 300mA 8-TDFN (3x3) |
| CURRENT - QUIESCENT (IQ)         | 136µA                                                                                                     |
| CURRENT - OUTPUT                 | 300mA                                                                                                     |
| CONTROL FEATURES                 | Enable, Manual Reset, Reset                                                                               |
