| DATA SHEET                       |  MIC5335-MGYMT-TR.pdf |
| VOLTAGE DROPOUT (MAX)            | 0.2V @ 300mA, 0.2V @ 300mA                                                                               |
| VOLTAGE - OUTPUT (MIN/FIXED)     | 1.8V, 2.8V                                                                                               |
| VOLTAGE - OUTPUT (MAX)           | -                                                                                                        |
| VOLTAGE - INPUT (MAX)            | 5.5V                                                                                                     |
| SUPPLIER DEVICE PACKAGE          | 6-TMLF® (1.6x1.6)                                                                                        |
| SERIES                           | -                                                                                                        |
| PROTECTION FEATURES              | Over Current, Over Temperature                                                                           |
| PACKAGING                        | Cut Tape (CT)                                                                                            |
| PACKAGE / CASE                   | 6-UFDFN Exposed Pad, 6-TMLF®                                                                             |
| PSRR                             | 65dB ~ 45dB (1kHz ~ 20kHz)                                                                               |
| OUTPUT TYPE                      | Fixed                                                                                                    |
| OUTPUT CONFIGURATION             | Positive                                                                                                 |
| OTHER NAMES                      | 1611-MIC5335-MGYMT-CT                                                                                    |
| OPERATING TEMPERATURE            | -40°C ~ 125°C                                                                                            |
| NUMBER OF REGULATORS             | 2                                                                                                        |
| MOUNTING TYPE                    | Surface Mount                                                                                            |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                            |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                               |
| DETAILED DESCRIPTION             | Linear Voltage Regulator IC Positive Fixed 2 Output 2.8V, 1.8V 300mA, 300mA 6-TMLF® (1.6x1.6)            |
| CURRENT - SUPPLY (MAX)           | 220µA                                                                                                    |
| CURRENT - QUIESCENT (IQ)         | 125µA                                                                                                    |
| CURRENT - OUTPUT                 | 300mA, 300mA                                                                                             |
| CONTROL FEATURES                 | Enable                                                                                                   |
