| Part Number:        | CY7B933-JXCT                                                                                                       |
| Manufacturer/Brand: | Cypress Semiconductor                                                                                              |
| Product description | IC RECEIVER HOTLINK 28-PLCC                                                                                        |
| Datasheets:         |  <a href="#">CY7B933-JXCT.pdf</a> |
| RoHs Status         |  Lead free / RoHS Compliant       |
| Stock Condition     | 6173 pcs stock                                                                                                     |
| Ship From           | Hong Kong                                                                                                          |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                              |

REQUEST FOR QUOTATION

Specifications of CY7B933-JXCT

|                                  |                                                                                                                      |
|----------------------------------|----------------------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | CY7B933-JXCT                                                                                                         |
| MANUFACTURER                     | Cypress Semiconductor                                                                                                |
| DESCRIPTION                      | IC RECEIVER HOTLINK 28-PLCC                                                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                           |
| QUANTITY AVAILABLE               | 6173 pcs                                                                                                             |
| DATA SHEET                       |  <a href="#">CY7B933-JXCT.pdf</a> |
| VOLTAGE - SUPPLY                 | 4.5 V ~ 5.5 V                                                                                                        |
| TYPE                             | Receiver                                                                                                             |
| SUPPLIER DEVICE PACKAGE          | 28-PLCC (11.51x11.51)                                                                                                |
| SERIES                           | HOTlink™                                                                                                             |
| PROTOCOL                         | Fibre Channel                                                                                                        |
| PACKAGING                        | Tape & Reel (TR)                                                                                                     |
| PACKAGE / CASE                   | 28-LCC (J-Lead)                                                                                                      |
| OPERATING TEMPERATURE            | 0°C ~ 70°C                                                                                                           |
| NUMBER OF DRIVERS/RECEIVERS      | -                                                                                                                    |
| MOUNTING TYPE                    | Surface Mount                                                                                                        |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                           |
| DUPLEX                           | -                                                                                                                    |
| DETAILED DESCRIPTION             | Receiver Fibre Channel 28-PLCC (11.51x11.51)                                                                         |
