| QUANTITY AVAILABLE               | 4397 pcs                                                                                                               |
| DATA SHEET                       |  <a href="#">R5F104FJDFP#V0.pdf</a> |
| VOLTAGE - SUPPLY (VCC/VDD)       | 1.6 V ~ 5.5 V                                                                                                          |
| SUPPLIER DEVICE PACKAGE          | 44-LQFP (10x10)                                                                                                        |
| SPEED                            | 32MHz                                                                                                                  |
| SERIES                           | RL78/G14                                                                                                               |
| RAM SIZE                         | 24K x 8                                                                                                                |
| PROGRAM MEMORY TYPE              | FLASH                                                                                                                  |
| PROGRAM MEMORY SIZE              | 256KB (256K x 8)                                                                                                       |
| PERIPHERALS                      | DMA, LVD, POR, PWM, WDT                                                                                                |
| PACKAGING                        | Tray                                                                                                                   |
| PACKAGE / CASE                   | 44-LQFP                                                                                                                |
| OSCILLATOR TYPE                  | Internal                                                                                                               |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                                      |
| NUMBER OF I/O                    | 31                                                                                                                     |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                             |
| EEPROM SIZE                      | 8K x 8                                                                                                                 |
| DETAILED DESCRIPTION             | RL78 RL78/G14 Microcontroller IC 16-Bit 32MHz 256KB (256K x 8) FLASH 44-LQFP (10x10)                                   |
| DATA CONVERTERS                  | A/D 10x8/10b, D/A 2x8b                                                                                                 |
| CORE SIZE                        | 16-Bit                                                                                                                 |
| CORE PROCESSOR                   | RL78                                                                                                                   |
| CONNECTIVITY                     | CSI, I²C, LINbus, UART/USART                                                                                           |
| BASE PART NUMBER                 | R5F104                                                                                                                 |
