| VOLTAGE - SUPPLY                 | 16 V ~ 28 V                                                                           |
| VOLTAGE - LOAD                   | 16 V ~ 28 V                                                                           |
| TECHNOLOGY                       | DMOS                                                                                  |
| SUPPLIER DEVICE PACKAGE          | 25-HSOP                                                                               |
| STEP RESOLUTION                  | 1, 1/2, 1/4                                                                           |
| SERIES                           | -                                                                                     |
| PACKAGING                        | Cut Tape (CT)                                                                         |
| PACKAGE / CASE                   | 25-SOP (0.213", 5.40mm Width) + 2 Heat Tabs                                           |
| OUTPUT CONFIGURATION             | Half Bridge (4)                                                                       |
| OTHER NAMES                      | BD6395FP-E2CT                                                                         |
| OPERATING TEMPERATURE            | -25°C ~ 150°C (TJ)                                                                    |
| MOUNTING TYPE                    | Surface Mount                                                                         |
| MOTOR TYPE - STEPPER             | Bipolar                                                                               |
| MOTOR TYPE - AC, DC              | -                                                                                     |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                            |
| INTERFACE                        | Parallel                                                                              |
| FUNCTION                         | Driver - Fully Integrated, Control and Power Stage                                    |
| DETAILED DESCRIPTION             | Bipolar Motor Driver DMOS Parallel 25-HSOP                                            |
| CURRENT - OUTPUT                 | 1.2A                                                                                  |
| BASE PART NUMBER                 | BD639*                                                                                |
| APPLICATIONS                     | General Purpose                                                                       |
