| DATA SHEET                       |  ADP3336ARMZ-REEL7.pdf |
| VOLTAGE DROPOUT (MAX)            | 0.4V @ 500mA                                                                                              |
| VOLTAGE - OUTPUT (MIN/FIXED)     | 1.5V                                                                                                      |
| VOLTAGE - OUTPUT (MAX)           | 10V                                                                                                       |
| VOLTAGE - INPUT (MAX)            | 12V                                                                                                       |
| SUPPLIER DEVICE PACKAGE          | 8-MSOP                                                                                                    |
| SERIES                           | anyCAP®                                                                                                   |
| PROTECTION FEATURES              | Over Current, Over Temperature                                                                            |
| PACKAGING                        | Cut Tape (CT)                                                                                             |
| PACKAGE / CASE                   | 8-TSSOP, 8-MSOP (0.118", 3.00mm Width)                                                                    |
| PSRR                             | -                                                                                                         |
| OUTPUT TYPE                      | Adjustable                                                                                                |
| OUTPUT CONFIGURATION             | Positive                                                                                                  |
| OTHER NAMES                      | ADP3336ARMZ-REEL7CT                                                                                       |
| OPERATING TEMPERATURE            | -40°C ~ 150°C                                                                                             |
| NUMBER OF REGULATORS             | 1                                                                                                         |
| MOUNTING TYPE                    | Surface Mount                                                                                             |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                             |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                |
| DETAILED DESCRIPTION             | Linear Voltage Regulator IC Positive Adjustable 1 Output 1.5 V ~ 10 V 500mA 8-MSOP                        |
| CURRENT - SUPPLY (MAX)           | 10mA                                                                                                      |
| CURRENT - QUIESCENT (IQ)         | 110µA                                                                                                     |
| CURRENT - OUTPUT                 | 500mA                                                                                                     |
| CONTROL FEATURES                 | Enable                                                                                                    |
| BASE PART NUMBER                 | ADP3336                                                                                                   |
