

NXP Semiconductors / Freescale

HT1MOA2S30/E/3,118

|                     |                                |
|---------------------|--------------------------------|
| Part Number:        | HT1MOA2S30/E/3,118             |
| Manufacturer/Brand: | NXP Semiconductors / Freescale |
| Product description | IC HITAG1 MOD MOA2 PLLMC       |
| Datasheets:         |                                |
| RoHs Status         | Lead free / RoHS Compliant     |
| Stock Condition     | 4034 pcs stock                 |
| Ship From           | Hong Kong                      |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS          |

REQUEST FOR QUOTATION

Specifications of HT1MOA2S30/E/3,118

|                                  |                                                         |
|----------------------------------|---------------------------------------------------------|
| PART NUMBER                      | HT1MOA2S30/E/3,118                                      |
| MANUFACTURER                     | NXP Semiconductors / Freescale                          |
| DESCRIPTION                      | IC HITAG1 MOD MOA2 PLLMC                                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                              |
| QUANTITY AVAILABLE               | 4034 pcs                                                |
| DATA SHEET                       |                                                         |
| VOLTAGE - SUPPLY                 | 6.5V                                                    |
| TYPE                             | RFID Transponder                                        |
| SUPPLIER DEVICE PACKAGE          | -                                                       |
| STANDARDS                        | -                                                       |
| SERIES                           | HITAG® 1                                                |
| PACKAGING                        | Original-Reel®                                          |
| PACKAGE / CASE                   | MOA2, Smart Card Module                                 |
| OTHER NAMES                      | 568-2202-6<br>HT1MOA2S30E3118                           |
| OPERATING TEMPERATURE            | -25°C ~ 85°C                                            |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                              |
| INTERFACE                        | -                                                       |
| FREQUENCY                        | 125kHz                                                  |
| DETAILED DESCRIPTION             | RFID Transponder IC 125kHz 6.5V MOA2, Smart Card Module |
