| MANUFACTURER                         | N/A                                                                    |
| DESCRIPTION                          | IC GATE DRVR IGBT/MOSFET SOT23-5                                       |
| LEAD FREE STATUS / ROHS STATUS       | Lead free / RoHS Compliant                                             |
| QUANTITY AVAILABLE                   | 45097 pcs                                                              |
| DATA SHEET                           |                                                                        |
| VOLTAGE - SUPPLY                     | 10 V ~ 32 V                                                            |
| SUPPLIER DEVICE PACKAGE              | SOT-23-5                                                               |
| SERIES                               | -                                                                      |
| RISE / FALL TIME (TYP)               | 15ns, 7ns                                                              |
| PACKAGING                            | Original-Reel®                                                         |
| PACKAGE / CASE                       | SC-74A, SOT-753                                                        |
| OTHER NAMES                          | 296-41046-6                                                            |
| OPERATING TEMPERATURE                | -40°C ~ 140°C (TJ)                                                     |
| NUMBER OF DRIVERS                    | 1                                                                      |
| MOUNTING TYPE                        | Surface Mount                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL)     | 1 (Unlimited)                                                          |
| LOGIC VOLTAGE - VIL, VIH             | 1.2V, 2.2V                                                             |
| LEAD FREE STATUS / ROHS STATUS       | Lead free / RoHS Compliant                                             |
| INPUT TYPE                           | Inverting, Non-Inverting                                               |
| GATE TYPE                            | IGBT, N-Channel MOSFET                                                 |
| DRIVEN CONFIGURATION                 | High-Side or Low-Side                                                  |
| DETAILED DESCRIPTION                 | High-Side or Low-Side Gate Driver IC Inverting, Non-Inverting SOT-23-5 |
| CURRENT - PEAK OUTPUT (SOURCE, SINK) | 2.5A, 5A                                                               |
| CHANNEL TYPE                         | Single                                                                 |
