| DESCRIPTION                      | IC TX UHF 433/868/916 MHZ 24TQFN                                                                                      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                            |
| QUANTITY AVAILABLE               | 68544 pcs                                                                                                             |
| DATA SHEET                       |  <a href="#">SX1223I073TRT.pdf</a> |
| VOLTAGE - SUPPLY                 | 2 V ~ 3.6 V                                                                                                           |
| SERIES                           | -                                                                                                                     |
| POWER - OUTPUT                   | 10dBm                                                                                                                 |
| PACKAGING                        | Tape & Reel (TR)                                                                                                      |
| PACKAGE / CASE                   | 24-WFQFN Exposed Pad                                                                                                  |
| OTHER NAMES                      | SX1223I073TR                                                                                                          |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                                         |
| MODULATION OR PROTOCOL           | FSK                                                                                                                   |
| MEMORY SIZE                      | -                                                                                                                     |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                            |
| FREQUENCY                        | 425 ~ 475MHz / 850 ~ 950MHz                                                                                           |
| FEATURES                         | -                                                                                                                     |
| DETAILED DESCRIPTION             | RF Transmitter FSK 425 ~ 475MHz / 850 ~ 950MHz 10dBm 153.6 kbps PCB, Surface Mount Antenna 24-WFQFN Exposed Pad       |
| DATA RATE (MAX)                  | 153.6 kbps                                                                                                            |
| DATA INTERFACE                   | PCB, Surface Mount                                                                                                    |
| CURRENT - TRANSMITTING           | 25.8mA                                                                                                                |
| APPLICATIONS                     | AMR, Home Automation, HQ Music and Data                                                                               |
| ANTENNA CONNECTOR                | PCB, Surface Mount                                                                                                    |
