

ON Semiconductor®  
ON

AMI Semiconductor / ON

Semiconductor

ON Semiconductor®

Part Number: NCV4269D1R2

Manufacturer/Brand: AMI Semiconductor / ON Semiconductor

Product description: IC REG LINEAR 5V 150MA 8SOIC

Datasheets: PDF NCV4269D1R2.pdf

RoHs Status:  Contains lead / RoHS non-compliant

Stock Condition: 156118 pcs stock

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Image may be representation. See specifications for product details.

Specifications of NCV4269D1R2

|                                  |                                                                                                     |

| DATA SHEET                       |  NCV4269D1R2.pdf |
| VOLTAGE DROPOUT (MAX)            | 0.5V @ 100mA                                                                                        |
| VOLTAGE - OUTPUT (MIN/FIXED)     | 5V                                                                                                  |
| VOLTAGE - OUTPUT (MAX)           | -                                                                                                   |
| VOLTAGE - INPUT (MAX)            | 45V                                                                                                 |
| SUPPLIER DEVICE PACKAGE          | 8-SOIC                                                                                              |
| SERIES                           | -                                                                                                   |
| PROTECTION FEATURES              | Over Temperature, Reverse Polarity, Short Circuit                                                   |
| PACKAGING                        | Tape & Reel (TR)                                                                                    |
| PACKAGE / CASE                   | 8-SOIC (0.154", 3.90mm Width)                                                                       |
| PSRR                             | -                                                                                                   |
| OUTPUT TYPE                      | Fixed                                                                                               |
| OUTPUT CONFIGURATION             | Positive                                                                                            |
| OPERATING TEMPERATURE            | -40°C ~ 125°C                                                                                       |
| NUMBER OF REGULATORS             | 1                                                                                                   |
| MOUNTING TYPE                    | Surface Mount                                                                                       |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                       |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                  |
| DETAILED DESCRIPTION             | Linear Voltage Regulator IC Positive Fixed 1 Output 5V 150mA 8-SOIC                                 |
| CURRENT - SUPPLY (MAX)           | 3mA                                                                                                 |
| CURRENT - QUIESCENT (IQ)         | 250µA                                                                                               |
| CURRENT - OUTPUT                 | 150mA                                                                                               |
| CONTROL FEATURES                 | Reset                                                                                               |
| BASE PART NUMBER                 | NCV4269                                                                                             |
