

NLU2G07BMX1TCG

|                     |                                      |
|---------------------|--------------------------------------|
| Part Number:        | NLU2G07BMX1TCG                       |
| Manufacturer/Brand: | AMI Semiconductor / ON Semiconductor |
| Product description | IC BUFF DL OP/DRAIN N-INV 6ULLGA     |
| Datasheets:         | NLU2G07BMX1TCG.pdf                   |
| RoHs Status         | Lead free / RoHS Compliant           |
| Stock Condition     | 2840 pcs stock                       |
| Ship From           | Hong Kong                            |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                |

REQUEST FOR QUOTATION

Specifications of NLU2G07BMX1TCG

|                                  |                                                                                   |
|----------------------------------|-----------------------------------------------------------------------------------|
| PART NUMBER                      | NLU2G07BMX1TCG                                                                    |
| MANUFACTURER                     | ON Semiconductor                                                                  |
| DESCRIPTION                      | IC BUFF DL OP/DRAIN N-INV 6ULLGA                                                  |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                        |
| QUANTITY AVAILABLE               | 2840 pcs                                                                          |
| DATA SHEET                       | NLU2G07BMX1TCG.pdf                                                                |
| VOLTAGE - ON STATE               | 2                                                                                 |
| VOLTAGE - BREAKDOWN              | 6-ULLGA (1.2x1)                                                                   |
| TIMING                           | -, 8mA                                                                            |
| SHELL STYLE                      | 1.65 V ~ 5.5 V                                                                    |
| SERIES                           | -                                                                                 |
| ROHS STATUS                      | Tape & Reel (TR)                                                                  |
| POLARIZATION                     | 6-XFLGA                                                                           |
| OUTPUT TYPE                      | Open Drain                                                                        |
| OPERATING TEMPERATURE            | -55°C ~ 125°C (TA)                                                                |
| NUMBER OF BITS PER ELEMENT       | Buffer, Non-Inverting                                                             |
| MOUNTING TYPE                    | Surface Mount                                                                     |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                     |
| MANUFACTURER PART NUMBER         | NLU2G07BMX1TCG                                                                    |
| INPUT TYPE                       | -                                                                                 |
| EXPANDED DESCRIPTION             | Buffer, Non-Inverting Element 1 Bit per Element Open Drain Output 6-ULLGA (1.2x1) |
| DESCRIPTION                      | IC BUFF DL OP/DRAIN N-INV 6ULLGA                                                  |
| CURRENT - OUTPUT HIGH, LOW       | 1                                                                                 |
