| DATA SHEET                       |  MB9BF366RPMC-G-JNE2.pdf |
| VOLTAGE - SUPPLY (VCC/VDD)       | 2.7 V ~ 5.5 V                                                                                               |
| SUPPLIER DEVICE PACKAGE          | 120-LQFP (16x16)                                                                                            |
| SPEED                            | 160MHz                                                                                                      |
| SERIES                           | FM4 MB9B360R                                                                                                |
| RAM SIZE                         | 64K x 8                                                                                                     |
| PROGRAM MEMORY TYPE              | FLASH                                                                                                       |
| PROGRAM MEMORY SIZE              | 544KB (544K x 8)                                                                                            |
| PERIPHERALS                      | DMA, LVD, POR, PWM, WDT                                                                                     |
| PACKAGING                        | Tray                                                                                                        |
| PACKAGE / CASE                   | 120-LQFP                                                                                                    |
| OSCILLATOR TYPE                  | Internal                                                                                                    |
| OPERATING TEMPERATURE            | -40°C ~ 125°C (TA)                                                                                          |
| NUMBER OF I/O                    | 100                                                                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                               |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                  |
| EEPROM SIZE                      | -                                                                                                           |
| DETAILED DESCRIPTION             | ARM® Cortex®-M4F FM4 MB9B360R Microcontroller IC 32-Bit 160MHz 544KB (544K x 8) FLASH 120-LQFP (16x16)      |
| DATA CONVERTERS                  | A/D 24x12b, D/A 2x12b                                                                                       |
| CORE SIZE                        | 32-Bit                                                                                                      |
| CORE PROCESSOR                   | ARM® Cortex®-M4F                                                                                            |
| CONNECTIVITY                     | CSIO, I²C, LINbus, UART/USART, USB                                                                          |
