

AMI Semiconductor / ON

Semiconductor

Part Number:CAV24C02YE-GT3

Manufacturer/Brand:AMI Semiconductor / ON Semiconductor

Product description:IC EEPROM 2KB I2C 400KHZ 8TSSOP

Datasheets: CAV24C02YE-GT3.pdf

RoHs Status: Lead free / RoHS Compliant

Stock Condition:271546 pcs stock

Ship From:Hong Kong

Shipment Way:DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of CAV24C02YE-GT3

|                                  |                                                                                                        |

| PART NUMBER                      | CAV24C02YE-GT3                                                                                         |
| MANUFACTURER                     | AMI Semiconductor / ON Semiconductor                                                                   |
| DESCRIPTION                      | IC EEPROM 2KB I2C 400KHZ 8TSSOP                                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                             |
| QUANTITY AVAILABLE               | 271546 pcs                                                                                             |
| DATA SHEET                       |  CAV24C02YE-GT3.pdf |
| WRITE CYCLE TIME - WORD, PAGE    | 5ms                                                                                                    |
| VOLTAGE - SUPPLY                 | 2.5 V ~ 5.5 V                                                                                          |
| TECHNOLOGY                       | EEPROM                                                                                                 |
| SUPPLIER DEVICE PACKAGE          | 8-TSSOP                                                                                                |
| SERIES                           | Automotive, AEC-Q100                                                                                   |
| PACKAGING                        | Cut Tape (CT)                                                                                          |
| PACKAGE / CASE                   | 8-TSSOP (0.173", 4.40mm Width)                                                                         |
| OTHER NAMES                      | CAV24C02YE-GT3OSCT                                                                                     |
| OPERATING TEMPERATURE            | -40°C ~ 125°C (TA)                                                                                     |
| MOUNTING TYPE                    | Surface Mount                                                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                          |
| MEMORY TYPE                      | Non-Volatile                                                                                           |
| MEMORY SIZE                      | 2Kb (256 x 8)                                                                                          |
| MEMORY INTERFACE                 | I²C                                                                                                    |
| MEMORY FORMAT                    | EEPROM                                                                                                 |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                             |
| DETAILED DESCRIPTION             | EEPROM Memory IC 2Kb (256 x 8) I²C 400kHz 900ns 8-TSSOP                                                |
| CLOCK FREQUENCY                  | 400kHz                                                                                                 |
| ACCESS TIME                      | 900ns                                                                                                  |
