| MANUFACTURER                     | Maxim Integrated                                                                                                     |
| DESCRIPTION                      | IC POT DUAL ADDRESS 50K 14-TSSOP                                                                                     |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                           |
| QUANTITY AVAILABLE               | 27245 pcs                                                                                                            |
| DATA SHEET                       |  <a href="#">DS1803E-050+.pdf</a> |
| VOLTAGE - SUPPLY                 | 2.7 V ~ 5.5 V                                                                                                        |
| TOLERANCE                        | ±20%                                                                                                                 |
| TEMPERATURE COEFFICIENT (TYP)    | 750 ppm/°C                                                                                                           |
| TAPER                            | Linear                                                                                                               |
| SUPPLIER DEVICE PACKAGE          | 14-TSSOP                                                                                                             |
| SERIES                           | -                                                                                                                    |
| RESISTANCE - WIPER (OHMS) (TYP)  | 400                                                                                                                  |
| RESISTANCE (OHMS)                | 50k                                                                                                                  |
| PACKAGING                        | Tube                                                                                                                 |
| PACKAGE / CASE                   | 14-TSSOP (0.173", 4.40mm Width)                                                                                      |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                                         |
| NUMBER OF TAPS                   | 256                                                                                                                  |
| NUMBER OF CIRCUITS               | 2                                                                                                                    |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                        |
| MEMORY TYPE                      | Volatile                                                                                                             |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                           |
| INTERFACE                        | I²C                                                                                                                  |
| FEATURES                         | Selectable Address                                                                                                   |
| DETAILED DESCRIPTION             | Digital Potentiometer 50k Ohm 2 Circuit 256 Taps I²C Interface 14-TSSOP                                              |
| CONFIGURATION                    | Potentiometer                                                                                                        |
