#### Specifications of LTC2875MPDD#PBF

|                                  |                                                                                                         |
|----------------------------------|---------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | LTC2875MPDD#PBF                                                                                         |
| MANUFACTURER                     | ADI (Analog Devices, Inc.)                                                                              |
| DESCRIPTION                      | IC TXRX CAN 4MBPS 8DFN                                                                                  |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                              |
| QUANTITY AVAILABLE               | 8776 pcs                                                                                                |
| DATA SHEET                       |  LTC2875MPDD#PBF.pdf |
| VOLTAGE - SUPPLY                 | 3 V ~ 3.6 V, 4.5 V ~ 5.5 V                                                                              |
| TYPE                             | Transceiver                                                                                             |
| SUPPLIER DEVICE PACKAGE          | 8-DFN (3x3)                                                                                             |
| SERIES                           | -                                                                                                       |
| PROTOCOL                         | CANbus                                                                                                  |
| PACKAGING                        | Tube                                                                                                    |
| PACKAGE / CASE                   | 8-WDFDN Exposed Pad                                                                                     |
| OPERATING TEMPERATURE            | -55°C ~ 125°C                                                                                           |
| NUMBER OF DRIVERS/RECEIVERS      | 2/2                                                                                                     |
| MOUNTING TYPE                    | Surface Mount                                                                                           |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                              |
| DUPLEX                           | -                                                                                                       |
| DETAILED DESCRIPTION             | 2/2 Transceiver CANbus 8-DFN (3x3)                                                                      |
| DATA RATE                        | 4Mbps                                                                                                   |
