

AMI Semiconductor / ON

Semiconductor

Part Number:NLVPCA9306AMUTCG

Manufacturer/Brand:AMI Semiconductor / ON Semiconductor

Product description:IC TRNSLTR BIDIRECTIONAL 8UQFN

Datasheets:

RoHs Status:

Lead free / RoHS Compliant

Stock Condition:327558 pcs stock

Ship From:Hong Kong

Shipment Way:DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Image may be representation. See specifications for product details.

Specifications of NLVPCA9306AMUTCG

|                                  |                                                                             |
|----------------------------------|-----------------------------------------------------------------------------|
| PART NUMBER                      | NLVPCA9306AMUTCG                                                            |
| MANUFACTURER                     | AMI Semiconductor / ON Semiconductor                                        |
| DESCRIPTION                      | IC TRNSLTR BIDIRECTIONAL 8UQFN                                              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                  |
| QUANTITY AVAILABLE               | 327558 pcs                                                                  |
| DATA SHEET                       |                                                                             |
| TRANSLATOR TYPE                  | Voltage Level                                                               |
| SUPPLIER DEVICE PACKAGE          | 8-UQFN (1.6x1.6)                                                            |
| SERIES                           | Automotive, AEC-Q100                                                        |
| PACKAGE / CASE                   | 8-UFQFN                                                                     |
| OUTPUT TYPE                      | Open Drain                                                                  |
| OUTPUT SIGNAL                    | -                                                                           |
| OPERATING TEMPERATURE            | -55°C ~ 125°C                                                               |
| NUMBER OF CIRCUITS               | 1                                                                           |
| MOUNTING TYPE                    | Surface Mount                                                               |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                               |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                  |
| INPUT SIGNAL                     | -                                                                           |
| FEATURES                         | -                                                                           |
| DETAILED DESCRIPTION             | Voltage Level Translator Bidirectional 1 Circuit 2 Channel 8-UQFN (1.6x1.6) |
| DATA RATE                        | -                                                                           |
| CHANNELS PER CIRCUIT             | 2                                                                           |
| CHANNEL TYPE                     | Bidirectional                                                               |
