| DESCRIPTION                       | IC COMPARATOR DUAL HI SPD 14-DIP                                              |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                    |
| QUANTITY AVAILABLE                | 48121 pcs                                                                     |
| DATA SHEET                        |                                                                               |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 5 V ~ 36 V, ±2.5 V ~ 18 V                                                     |
| VOLTAGE - INPUT OFFSET (MAX)      | 8mV @ ±15V                                                                    |
| TYPE                              | General Purpose                                                               |
| SUPPLIER DEVICE PACKAGE           | 14-DIP                                                                        |
| SERIES                            | -                                                                             |
| PROPAGATION DELAY (MAX)           | -                                                                             |
| PACKAGING                         | Tube                                                                          |
| PACKAGE / CASE                    | 14-DIP (0.300", 7.62mm)                                                       |
| OUTPUT TYPE                       | DTL, Open-Collector, Open-Emitter, RTL, TTL                                   |
| OTHER NAMES                       | *LM319N/NOPB<br>LM319NNOPB<br>LM319NNS/NOPB                                   |
| OPERATING TEMPERATURE             | 0°C ~ 70°C                                                                    |
| NUMBER OF ELEMENTS                | 2                                                                             |
| MOUNTING TYPE                     | Through Hole                                                                  |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                                 |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                    |
| HYSTERESIS                        | -                                                                             |
| DETAILED DESCRIPTION              | Comparator General Purpose DTL, Open-Collector, Open-Emitter, RTL, TTL 14-DIP |
| CURRENT - QUIESCENT (MAX)         | 12.5mA                                                                        |
| CURRENT - OUTPUT (TYP)            | -                                                                             |
| CURRENT - INPUT BIAS (MAX)        | 1µA @ ±15V                                                                    |
| CMRR, PSRR (TYP)                  | -                                                                             |
| BASE PART NUMBER                  | LM319                                                                         |
